Other Authority:

Describe any changes other than editing from proposed to adopted version:

**(5.2) EMERGENCY RULE ONLY**

Pursuant to RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.  
 (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: An emergency exists at Bates Technical College which is a newly established state agency which just had its Board of Trustees appointed by the Governor last month. There exists a need to establish regular meeting dates for the Board to carry out its authority to do all those things necessary to establish a new technical college. Limited special meeting agendas do not suffice.
