Adopted under notice filed as WSR _____ on _____ (date).

Describe any changes other than editing from proposed to adopted version:

EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Changes to the existing policy were widely advertised and input gathered during the last several months. In order to officially notify people on the BCC main campus of the changes to the smoking policy that will be effective in Sept., it's necessary to approve the amendment now so that the change can be published in fall quarter schedules and other documents that are being printed now.

EXPEDITED REPEAL ONLY

Under Preproposal Statement of Inquiry filed as WSR _____ on _____ (date).
