SCHEDULE OF FEES AND FINANCIAL AID FOR COMMUNITY COLLEGE DISTRICT VIII

new WAC 132H-160-600 REQUEST FOR FINANCIAL AID INFORMATION. Specific information about Financial Aid programs, eligibility, and applications is available to all interested students in the Student Information and Financial Services Office.

new WAC 132H-160-610 PRIORITY FOR FINANCIAL AID. Priority for awarding of student financial aid will be on the basis of the amount of financial need each student applicant has, as evidenced by a financial statement. Each student applying for financial aid will be required to complete a confidential financial statement.

new WAC 132H-160-620 CREDIT REQUIREMENT FOR FINANCIAL AID RECIPIENT. With the exception of the Washington State Tuition Waiver Program, all other financial aid programs administered by Community College District VIII require that students be enrolled each quarter for a minimum of eight (8) credits.

new WAC 132H-160-630 ADJUSTMENT OF AID PACKAGE. It is the responsibility of each student to notify the financial aid office of any change in financial status that has been evidenced in previous applications. In such cases the financial aid award may be increased or decreased.

new WAC 132H-160-640 LIMITATION ON HOURS EMPLOYED. Students enrolled and employed by Community College District VIII will be limited to a maximum of nineteen (19½) hours of work per week during any one payroll period.

new WAC 132H-160-650 CANCELLATION OF GRANT AID. The college may reduce or cancel a student's Supplemental Educational Opportunity Grant award if the student fails to fulfill their College Work-Study job obligation.

new WAC 132H-160-660 WORK-STUDY JOB TERMINATION. Work-Study job termination can be cause for cancellation of the college's financial aid commitment for the balance of the award.

new WAC 132H-160-670 LIMITED AID FUNDS - PRIORITIES. When financial aid funds are limited, priority for aid will be as follows: (1) Returning students who were previous aid recipients and have made normal academic progress (36 or more credits toward an educational objective).
(2) New students (first time in college).

- (3) Returning students who were not previous aid recipients.
- (4) Transfers who were previous aid recipients.
- (5) Community College District VIII students on academic probation.
- (6) Students re-admitted after being dropped for academic reasons.

WAC 132H-160-680 ACADEMIC STATUS OF FINANCIAL AID RECIPIENTS. Students receiving financial aid will be required to pass eight (8) credits quarterly. Students not passing eight (8) credits quarterly will be required to appear before a Financial Aid Appeals Committee which will recommend renewal or termination of aid.

new

WAC 132H-160-690 STUDENT EMERGENCY LOAN REQUIREMENTS. Students requesting emergency loans for tuition must have a grade point of 2.00 and accumulated 10 credits at Community College District VIII prior to the quarter for which they will borrow.

new

WAC 132H-160-700 DENIAL OF AID - FEDERAL LAWS. There now exist federal and state laws which require the college to deny federal student financial aid to students who, in certain circumstances, involve themselves in disruptive activities on college or university campuses. (1) Section 504 (a) of the Higher Education Amendment of 1968 requires the college to deny federal student aid for a period of two years if the college determines, after affording notice and opportunity for hearing, that a student has been convicted of acts involving the use of force, disruption, or the seizure of property under the control of a college or university.

(2) Section 504 (b) of the same act requires the same penalty if the college determines, after notice and opportunity for hearing, that a student has willfully refused to obey a lawful regulation or order of the college, and that such refusal contributed to a serious campus disruption.

(3) Section 407 of the Department of Health, Education and Welfare Appropriations Act of 1970 requires the denial of aid, during the period of the appropriation, from the National Defense Student Loan Program, the College Work-Study Program, and the Educational Opportunity Grant Program if a student is convicted of crimes involving force, trespass or seizure of property under the control of colleges or universities.

new

WAC 132H-160-710 DENIAL OF AID - WASHINGTON STATE LAW. Section 3, Chapter 223, Laws of Washington, 1969, Extraordinary Session, provides that "Any student who organizes and/or participates in any demonstration, riot or other activity of which the effect is to interfere with or disrupt the normal educational process" at any of the state colleges or universities in the state of Washington will not be eligible to receive financial aid from loan funds created by those institutions, or "the National Defense Education Act of 1958 and such other similar federal student aid programs as are or may be enacted from time to time."
