(6) Registration Denied: Formal action refusing to allow a student to register for subsequent quarters, for violation of college rules or regulations, or failure to satisfy the college's expectations regarding conduct, or failure to fulfill obligations to the college.

Students may be denied registration only on the approval of the president and on the recommendation of the dean of student services or college discipline committee. The initiating authority, in his/her written notification to the student, will detail the reasons for the denial of registration and the conditions to be met before registration will be allowed. Registration may be denied for a fixed or indefinite period. Future registration will not be allowed until the initiating authority is satisfied that the conditions have been met.
