STATE OF WASHINGTON  
STATE BOARD FOR COMMUNITY COLLEGE EDUCATION  
ADMINISTRATIVE ORDER NO. 23  
SBCCE ORDER REGISTER

A resolution relating to the regulations governing interdistrict registration of students of the Washington State community college system.

BE IT RESOLVED by the State Board for Community College Education that the WAC regulation relating to interdistrict registration of students under RCW 28B.15, attached hereto and made a part hereof, is hereby approved and adopted as a permanent rule of the State Board for Community College Education and as new material identified as WAC 131-12-041 for codification in the State Board's Standard Policy and Procedures Manual and the Washington Administrative Code.

This resolution and the annexed regulations, after being first recorded as an administrative order in the order register of the State Board for Community College Education, shall be forwarded to the Code Reviser for filing pursuant to RCW 34.04 and WAC 1-12-050.

Approved and adopted this 13th day of December, 1973.

  
Chairman, State Board for  
Community College Education

WAC 131-12-041 INTERDISTRICT REGISTRATION OF STUDENTS.

Pursuant to authority granted in Chapter 28B.50 RCW, the following regulations shall be observed by the college districts in the interdistrict enrollment of students without the payment of additional tuition and fees as required by RCW 28B.15.500.

(1) Interdistrict registration shall mean the concurrent enrollment of a student in community colleges operated by two or more community college districts.

(2) Interdistrict registration shall occur only on the basis of a specific agreement between the two or more colleges.

(3) If the student registers and pays (including loans, grants, waivers, and other forms of financial aid) the maximum tuition and fees in one college, a second college may allow such student to register for additional courses without payment of additional fees provided that the courses will not be offered by the first college in a manner that will enable the student to complete his program in a timely manner.

(4) If the student so enrolled under this interdistrict registration provision has paid less than the maximum amount of tuition and fees required by RCW 28B.15.500, the second college shall assess tuition and fees at the standard rate for the course registrations in that college up to that maximum. Withdrawal from the college or reduction of course load in the college of initial registration shall invalidate any cost-free registration at a second college unless the appropriate additional tuition and fees are paid.

(5) Students enrolled in a second college under the provisions of this regulation shall be required to comply with the regular registration procedure of such second college and shall be required to pay any additional special fees--such as laboratory, supply, use, or records fees normally charged to students enrolled at that college.
