(2) A community college district initiating a request for approval of any capital construction expenditure shall be considered the "lead agency" for the purpose of carrying out the provisions of Chapter 43.21C RCW and Chapter 197-10 WAC.

(3) Community college districts seeking State Board approval of capital project construction expenditures pursuant to WAC 131-24-010 shall provide as part of such requests a draft "Declaration of Significance/Non-significance" regarding the potential adverse effects the proposed project would have on the environment.
