STATE BOARD FOR COMMUNITY COLLEGE EDUCATION

Resolution No. 77-37

Administrative Order No. 62

(1) Be it resolved by the State Board for Community College Education, State of Washington, that it promulgate and adopt as emergency rules of this governing body, the annexed rules: Establishing the maximum allowable percentage salary increases for certain community college districts as authorized by Chapter 339, Laws of 1977, 1st ex. sess., and regulations for implementing optional salary increases in addition to general salary increases authorized and funded for the fiscal years beginning July 1, 1977 and July 1, 1978.

We, the State Board for Community College Education, find that an emergency exists and that the foregoing order is necessary for the preservation of the public health, safety, or general welfare and that observation of the requirements of notice and opportunity to present views on the proposed action would be contrary to public interest. A statement of the facts constituting such emergency is: The appropriation of general operating funds for community college operations has occurred subsequent to the filing deadline for giving public notice of the intended action. Further, it is necessary to make the allocation of operating funds for the period beginning July 1, 1977 at this time. Negotiations regarding salary levels are presently underway in the college districts and cannot be meaningful unless this optional salary increase is authorized and this order is made.

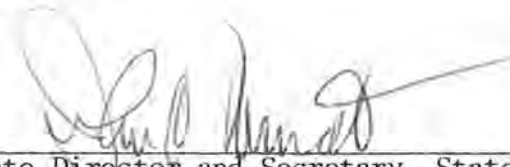

Such rules are therefore adopted as emergency rules to take effect upon filing with the Code Reviser.

(2) This rule is promulgated pursuant to Chapter 339, Laws of 1977, 1st ex. sess., and is intended to administratively implement that statute.

(3) This order after being first recorded in the order register of this governing body shall be forwarded to the Code Reviser for filing pursuant to chapter 34.04 RCW and chapter 1-12 WAC.

APPROVED AND ADOPTED July 6, 1977.

State Director and Secretary, State Board
for Community College Education

(3) Upon determination by the district board of trustees that funds are available for such purpose, any optional additional salary increases granted pursuant to this regulation shall be granted consistent with the following provisions:
