WAC 131-28-040 CRITERIA FOR DETERMINING ELIGIBILITY FOR WAIVER OF TUITION AND FEES UNDER RCW 28B.15.740. Waiver of general tuition, operating, and services and activities fees, or any portions thereof as authorized by RCW 28B.15.740, normally charged to students enrolled shall be based upon the determination that the student is a needy student by application of a method of need analysis approved by the United States Department of Education for determining awards under federal student financial aid programs or one adopted by the state board for community college education specifically for the purposes of this section, ~~((provided that no waivers under this section shall be granted to a person who is not a "resident student" as defined in RCW 28B.45.042))~~ except as provided in WAC 131-28-045.

AMENDATORY SECTION (Amending Order 94, Resolution No. 82-37, filed 10/26/82)

WAC 131-28-045 PROCEDURE FOR IMPLEMENTING TUITION AND FEE WAIVERS AUTHORIZED PURSUANT TO RCW 28B.15.740. (1) Tuition and fee waivers for needy students in any fiscal year as authorized by RCW 28B.15.740 may not exceed three percent of any college district's estimated total collections of tuition, operating, and services and activities fees had no such waivers been made, after deducting the portion of that total amount which is attributable to the difference between resident and nonresident tuition and fees.

(2) The estimated total collection of tuition and fees shall be based on budgeted, state supported, four-quarter annual average enrollment.

(3) Each district may waive an amount not to exceed three percent of the estimated collections in the event that actual enrollments or collections exceed estimated collections. Conversely, the three percent waiver capacity based upon estimated collections is allowable even though actual collections may not be as high as the estimate.

(4) Districts desiring to exceed their individual three percent waiver capacity may do so only upon written approval from the state director of community colleges or his designee. This waiver capacity can only be granted to a district after it has been determined that the total waiver capacity for the community college system is not being utilized as a result of other districts waiving at levels less than the three percent capacity.

(5) At least three-fourths of the total amount waived by any district shall be for needy ~~((resident))~~ students who are eligible to pay resident tuition and fee rates as defined in RCW 28B.15.012 through 28B.15.015 and the remainder may be for other ~~((resident))~~ students as determined by the board of trustees, except that no such waivers shall be based on participation in intercollegiate athletic programs.
