Dear Interested Party:

The Office of Community Development (OCD) will be publishing a draft of the 2002 Low-Income Home Energy Assistance Program (LIHEAP) Abbreviated Model Plan.

The draft 2002 Abbreviated Plan will contain changes to the 2000 LIHEAP Detailed Plan. The 2000 Detailed Plan describes how the state of Washington, in conjunction with community-based public and private agencies, will provide Energy Assistance and Weatherization services to low-income households. Both Plans are based on the Model Plan format provided by the federal Department of Health and Human Services. This format ensures that the statutory requirements for LIHEAP are met.

A copy of the 2002 Abbreviated Plan will be available at: [www.liheapwa.org](http://www.liheapwa.org) or [www.oed.wa.gov](http://www.oed.wa.gov) "Our Programs" and "LIHEAP" on May 24, 2001. The 2000 Detailed Plan and the 2001 Abbreviated Plan are currently located there. Copies can be mailed to you upon request. The Abbreviated Plan is also available in alternate formats upon request.

Written requests may be sent to:
