EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding:

The bill allows agencies to charge for the production of records only after providing notice and public hearing. This emergency rule-making will allow CTS to use the 120 day effective period for a more thorough rule-making process.

NEW SECTION

WAC 141-06-170 Calculations of action costs of producing copies of public records declared to be unduly burdensome- adoption of statutory fee schedule.

(1) Consolidated Technology Services has deemed the actual calculation of costs to the agency for producing responsive records to a public records request is unduly burdensome, because:

- (i) The office does not have the resources to conduct a study to determine all its actual copying costs;
- (ii) staff resources are insufficient to perform a study and to calculate such actual costs;
- (iii) funds were not allocated for performing a study to calculate such actual costs and the agency lacks the necessary funds to perform a study and calculations;
- (iv) to conduct such a study would interfere with other essential agency functions; and
- (v) through the 2017 legislative process, the public and requesters have commented on and been informed of authorized fees and costs, including for electronic records, provided in RCW 42.56.120(2)(b) and (c), (3) and (4).

As such, Consolidated Technology Services shall charge for copies of records pursuant to the default fees in RCW 42.56.120(2)(b) and (c). Consolidated Technology Services will charge for customized services pursuant to 42.56.120(3). Under RCW 42.56.130, Consolidated Technology Services may charge other copy fees authorized by statutes outside of chapter 42.56 RCW. Consolidated Technology Services may enter into an alternative fee agreement with a requester under RCW 42.56.120(4).

(2) This fee schedule will be set forth on the Consolidated Technology Services Agency website and be updated with subsequent changes to RCW 42.56 or further Consolidated Technology rule-making.

New Section

WAC 141-06-180 Fee Waivers

Requesters are required to pay for copies in advance of receiving records. Fee waivers are an exception and are available for some small requests under the following conditions.

(a) It is within the discretion of the public records officer to waive copying fees when: (i) all of the records responsive to an entire request are paper copies only and are twenty-five or fewer pages; or (ii) all of the records responsive to an entire request are electronic and can be provided in a single email with attachments of a size totaling no more than the equivalent of 100 printed pages. If that email for any reason is not deliverable, records will be provided through another means of delivery, and the requester will be charged in accordance with this rule.

(b) Fee waivers are not applicable to records provided in installments.

New Section

WAC 141-06-190- Requestor Fees and Deposits

Consolidated Technology Services shall require an advance deposit of ten percent of the estimated fees when the copying fees for an installment or an entire request, or customized service charge, exceeds twenty-five dollars.

All required fees must be paid in advance of release of the copies or an installment of copies, or in advance of when a deposit is required. Consolidated Technology Services will notify the requester of when payment is due.
