

**WSR 21-16-102
EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 21-138—Filed August 3, 2021, 3:38 p.m., effective August 6, 2021]

Effective Date of Rule: August 6, 2021.

Purpose: The purpose of this emergency rule is to open recreational salmon seasons in Catch Record Card Area 2, seven days per week.

Citation of Rules Affected by this Order: Repealed WAC 220-313-07500B; and amending WAC 220-313-075.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This rule is needed to expand recreational fishing opportunity by opening an additional two days of salmon fishing each week in Marine Area 2. Sufficient quota remains available to allow additional fishing opportunity while still meeting the Pacific Coast Salmon Fishery Management Plan goal of continuing recreational salmon fishing into September. These rules are also adopted at the recommendation of the Pacific Fisheries Management Council and have been adopted for federal waters by the National Oceanic and Atmospheric Administration. There is insufficient time to adopt permanent rules.
