Purpose of the Proposal and Its Anticipated Effects, Including Any Changes in Existing Rules: The proposed language added to WAC 246-817-440 (4)(b)(i) will allow recorded interactive webinars to obtain full continuing education credit, making it the same as live interactive webinars. The amended language will also clarify that full credit also applies to live interactive webinars too.

Reasons Supporting Proposal: This proposed rule amendment is necessary to allow dentists to obtain full, one hour continuing education credit for recorded interactive webinars. Current rule allows dentists to earn 30 minutes for every one hour of self-study continuing education completed, including online courses, towards the total of continuing education hours. Live interactive webinars are already allowed for full continuing education credit under WAC 246-817-440 (4)(a).

A rules petition was received on November 13, 2020, requesting amendments to WAC 246-817-440 to allow full, one hour credit for self-study online continuing education courses. The commission determined that recorded interactive webinars may be just as beneficial as live interactive webinars.

The commission is mandated under RCW 18.32.002 to regulate the competency and quality of professional health care providers, including but not limited to continuing education.

Statutory Authority for Adoption: RCW 18.32.0357, 18.32.0365, and 18.32.180.

Statute Being Implemented: RCW 18.32.002.

Rule is not necessitated by federal law, federal or state court decision.

Name of Proponent: Dental quality assurance commission, governmental.

Name of Agency Personnel Responsible for Drafting, Implementation, and Enforcement: Jennifer Santiago, 111 Israel Road S.E., Tumwater, WA 98501, 360-236-4893.

A school district fiscal impact statement is not required under RCW 28A.305.135.

A cost-benefit analysis is required under RCW 34.05.328. A preliminary cost-benefit analysis may be obtained by contacting Jennifer Santiago, P.O. Box 47852, Olympia, WA 98504, phone 360-236-4893, fax 360-236-2901, TTY 711, email Jennifer.santiago@doh.wa.gov, dental@doh.wa.gov.

The proposed rule does not impose more-than-minor costs on businesses. Following is a summary of the agency's analysis showing how costs were calculated. A significant cost analysis has been completed. The proposed rule amendment does not increase costs to licensed dentists. Licensed dentists currently must complete 63 hours of continuing education every three years. The proposed rule amendment allows an exception for full continuing education credit for completed recorded interactive webinars. The proposed rule amendments do not impose more-than-minor costs as defined in RCW 19.85.020(2).
