EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 21-206—Filed September 21, 2021, 12:51 p.m., effective September 21, 2021, 12:51 p.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: The purpose of this emergency rule is to open recreational razor clam digging on Copalis Beach on September 25, 2021.

Citation of Rules Affected by this Order: Repealing WAC 220-330-01000L and 220-330-16000X; and amending WAC 220-330-010 and 220-330-160.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This regulation adds an opening on Razor Clam Area 4 for Saturday, September 25. This additional date is available to state licensed diggers as a result of comanager agreement with the Quinault Indian Nation, that they will not include it in openers for their use during this tide series. Survey results show that adequate clams are available for harvest in Razor Clam Areas 1, 3, 4, and 5 for recreational harvest. An exceptionally large population of harvestable razor clams in Razor Clam Areas 1, 3, 4, and 5 allow for a temporary increase in the daily bag limit. Washington department of health has certified clams from these razor clam areas to be safe for human consumption. There is insufficient time to adopt permanent rules
