Subject of Possible Rule Making: The gambling commission is considering amending its rules to allow for the purchase of chips using debit cards.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 9.46.070.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The gambling commission received a petition requesting to amend rules to allow for the purchase of chips using debit cards. Controls will be put in place to account for debit card transactions in gaming records and responsible gaming practices will be addressed.

PREPROPOSAL STATEMENT OF INQUIRY  
WESTERN WASHINGTON UNIVERSITY

[Filed May 24, 2022, 11:10 a.m.]

Subject of Possible Rule Making: New WAC chapter to establish a small works roster. Proposed chapter 516-32 WAC, Small works roster.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 28B.35.120(12), 39.04.155.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: As allowed per RCW, the small works roster will enable us to more expeditiously solicit bids for contractors on projects with a construction cost of \$350,000 and below. Currently, on all traditionally-delivered public works projects, we need to formally advertise for bidding, at a cost of ~\$2,500, and wait a lengthy three-to-four-week open bidding process. This process will help tremendously if we are granted a large appropriation for minor works preservation and program in the 2023-25 biennium.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: Not applicable.

Process for Developing New Rule: Negotiated rule making.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Jennifer Sloan, Rules Coordinator, 516 High Street, Bellingham, WA 98225-9044, phone 360-650-3117, TTY 711, email sloanj2@wwu.edu, website <https://president.wwu.edu/policy-rules>; or Brian Ross, Associate Director, Capitol Budget - Operations, 516 High Street, Bellingham, WA 98225-9122, phone 360-650-6539, email rossb5@wwu.edu.

[Filed May 24, 2022, 12:50 p.m.]

Subject of Possible Rule Making: WAC 182-557-0225 Health home services—Methodology for calculating a person's risk score; other related rules as appropriate.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 41.05.021, 41.05.160.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The health care authority (HCA) is amending WAC 182-557-0225(7) to update the risk score weights specifically pertaining to children of various age groups outlined and the weights for health diagnoses for children. This update aligns with the release of version 6.5 of the University of San Diego's Chronic Illness and Disability Payment System (CDPS). During the course of this review, HCA may identify additional related changes that are required in order to improve clarity or update policy.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The department of social and health services.

Process for Developing New Rule: The agency welcomes the public to take part in developing this rule. If interested, contact the person identified below to receive an early rule draft to review. After the early review, the agency will send a notice of proposed rule making (CR-102) to everyone receiving this notice and anyone who requests a copy.

**DEPARTMENT OF**  
**SOCIAL AND HEALTH SERVICES**  
(Division of Vocational Rehabilitation)  
[Filed May 24, 2022, 2:27 p.m.]

Subject of Possible Rule Making: References in WAC 388-891A-0610 and 388-891A-0890, and possible other sections in chapter 388-891A WAC addressing post-employment services (amend).

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 74.29.020(8) and 74.29.050.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: The division of vocational rehabilitation (DVR) received recent guidance from the rehabilitation services administration (RSA) that clarifies RSA's interpretation of when vocational rehabilitation agencies may provide post-employment services under the Rehabilitation Act. RSA's interpretation is inconsistent with how Washington DVR currently provides post-employment services and how it is defined in WAC. Provision of post-employment services is subject to receipt of federal funding and continuing to apply WAC as currently written will place DVR out of compliance with federal guidance and could jeopardize its ability to receive federal funding. If DVR chose not to pursue an emergency rule, it could be interpreted to be in violation of RCW 74.29.050. The attorney general's office, client assistance program, and the Washington state rehabilitation council have been consulted and support DVR's reasons for the rule making.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: DVR will continue to review guidance and information received from RSA in order to coordinate the rule making.

Process for Developing New Rule: DVR invites the interested public to review and provide input on the draft language of this rule. Draft material and information about how to participate may be obtained from the department representative listed below.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Terry Redmon, 4565 7th Avenue S.E., phone 360-725-3636, fax 360-438-8007, website [dshs.wa.gov/dvr](http://dshs.wa.gov/dvr).

[Filed May 26, 2022, 3:44 p.m.]

Subject of Possible Rule Making: Chapter 137-65 WAC, fully repealed; and chapter 137-69 WAC.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 72.01.090.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Revision of chapter 137-69 WAC and the full repeal of chapter 137-65 WAC are required to align with the statutory revisions made following the passing of 2SHB 1818. The statutory revisions will no longer allow department of corrections (DOC) to assess or collect cost of supervision fees. Furthermore, the statutory revisions will no longer allow an assessment and collection of the interstate transfer application fee for individuals seeking to transfer the supervision of their Washington sentence out of Washington state.

Process for Developing New Rule: Negotiated rule making.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Rules are needed to allow waivers for occasions when providers are not able to comply with the requirements of chapter 110-16 WAC due to their needs or the needs of the children in their care. The rules will clarify the department's authority to grant waivers, the application process providers must follow to request waivers, the department's criteria for granting waivers, the process for challenging waiver denials, and administrative hearing rights for waiver denials.

Other Federal and State Agencies that Regulate this Subject and the Process Coordinating the Rule with These Agencies: The United States Administration for Children and Families, Office of Child Care administers the federal Child Care Development Fund (CCDF) and ensures that Washington and all other states receiving CCDF appropriations comply with federal requirements. Updates related to clean-up and correction of language may also be made.

(Nursing Care Quality Assurance Commission)  
[Filed June 1, 2022, 9:01 a.m.]

Subject of Possible Rule Making: WAC 246-840-365 Inactive and re-activating an ARNP license and 246-840-367 Expired license. The nursing care quality assurance commission (commission) is considering amendments to inactive and expired licensure requirements for advanced registered nurse practitioners (ARNPs) in response to the coronavirus disease 2019 (COVID-19) pandemic and the critical demand for health-care professionals.

Statutes Authorizing the Agency to Adopt Rules on this Subject: RCW 18.79.010, 18.79.110, and 18.79.250.

Reasons Why Rules on this Subject may be Needed and What They Might Accomplish: Changes are needed to remove barriers to license renewal for ARNPs returning to active practice from inactive or expired status. The commission is considering rule making to make permanent changes to current rules identified as a barrier to the provision of services, both in emergency response and during regular operations. While permanent rule making is ongoing, the commission will continue to renew and update as necessary emergency rules applicable to nursing technicians, licensed practical nurses, registered nurses, and ARNPs.

The commission first adopted emergency rules in response to COVID-19 on April 24, 2020, under WSR 20-10-014. The commission has continued to file emergency rules, the most recent filing occurred on May 13, 2022, under WSR 22-11-047. The emergency rules are necessary for the preservation of public health, safety, and general welfare, including increasing and maintaining the availability of health care professionals to help treat and prevent the spread of COVID-19.

The commission met on May 14, 2021, and decided emergency language not covered by other permanent rules should revert to the original language or be addressed in this separate rule making. Changes to WAC 246-840-365 and 246-840-367 were proposed by the commission in a CR-102 with two other rule sections on January 31, 2022, under WSR 22-04-081.

During the public comment period and rules hearing for the proposed rule, the commission received several comments regarding WAC 246-840-365 and 246-840-367, which raised additional questions about the proposed changes to inactive and expired licensure requirements. Considering the public testimony submitted to the commission, the commission moved to withdraw WAC 246-840-365 and 246-840-367 from the permanent rule making for further exploration.

Opening the rules would provide the opportunity for additional interested party engagement, rule clarification, and possible amendments to address the identified concerns.

Process for Developing New Rule: None.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting Shad Bell, P.O. Box 47864, Olympia, WA 98504-7864, phone 360-236-4711, fax 360-236-4738, TTY 711, email [NCQAC.rules@doh.wa.gov](mailto:NCQAC.rules@doh.wa.gov), website <https://www.doh.wa.gov/licensespermitsandcertificates/nursingcommission>.

Additional comments: The commission will notify interested parties of rule making by posting information on the department of health website, the commission website and by use of GovDelivery. Interested

parties may sign up to receive commission rule-making notices at <https://public.govdelivery.com/accounts/WADOH/subscriber/new>. The commission will hold virtual meetings at varying times to encourage participation.
