

WSR 22-13-004  
EMERGENCY RULES  
DEPARTMENT OF  
FISH AND WILDLIFE

[Order 22-90—Filed June 1, 2022, 3:54 p.m., effective June 1, 2022, 3:54 p.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: The purpose of this emergency rule is to open salmon seasons in Cascade River seven days per week. This rule also maintains salmon seasons for the North Fork Nooksack River and Skagit River that were originally set in WSR 22-12-021 on May 28, 2020.

Citation of Rules Affected by this Order: Repealing WAC 220-312-04000B; and amending WAC 220-312-040.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This fishery was previously scheduled to be open four days per week to prevent gear conflicts with treaty fishers. The treaty fishery has concluded; therefore, the closure days are no longer necessary. There is insufficient time to adopt permanent rules.
