Purpose of the Proposal and Its Anticipated Effects, Including Any Changes in Existing Rules: The department is increasing fees for scrap metal businesses to continue covering the cost to administer the program as these costs have increased over the years.

Reasons Supporting Proposal: The department is required to set fees for each professional, occupational, or business licensing program at a sufficient level to defray the costs of administering the program. Current fees are insufficient to sustain this program. The department is considering fee increases that would go into effect in January of 2023.

Statutory Authority for Adoption: RCW 43.24.086 Fee policy for professions, occupations, and businesses—Determination by rule.

Statute Being Implemented: Not applicable.

Rule is not necessitated by federal law, federal or state court decision.
