### OTS-3831.1

AMENDATORY SECTION (Amending WSR 18-11-062, filed 5/14/18, effective 6/14/18)

**WAC 292-110-020 Working hours.** (1) Nothing in RCW 42.52.180(1) or this rule prohibits a state officer or state employee from assisting in a campaign during nonworking hours provided that the state officer or state employee who engages in activity that would fall under RCW 42.52.180(1) during nonworking hours does not use any facilities of an agency.

(2) Some state officers and state employees occupy positions that have fixed schedules with the same beginning and ending times. For state officers and state employees with fixed schedules, working hours are the hours between the starting and ending times of their scheduled working hours. State officers and state employees with fixed schedules may not engage in activity that would fall under RCW 42.52.180(1) during these fixed working hours, unless (~~they are~~) on a lunch break under subsection (5) of this rule or on leave under subsection (6) of this rule.

(3) Some state officers and state employees occupy positions that do not have fixed schedules with the same starting and ending times. For state officers and state employees who do not have fixed schedules, working hours are defined as:

(a) The hours set forth in any policy on working hours adopted by their agency; or

(b) If the agency has not adopted a working hours policy, 8:00 a.m. to 5:00 p.m. Monday through Friday; or

(c) The work schedule for the state officer or state employee approved by (~~their~~) the agency.

(4) Working hours do not include state legal holidays unless the state officer's or state employee's work schedule requires the state officer or state employee to work on a state legal holiday.

(5) Working hours do not include the time designated for a state officer's or state employee's lunch break. A lunch break is between 12:00 p.m. and 1:00 p.m., unless the agency has designated a different time in a working hours policy or has approved a different lunch break as part of the state officer's or state employee's work schedule. If a state officer or state employee engages in activity that would fall under RCW 42.52.180(1) during the lunch break, the state officer or state employee may not make use of any of the facilities of the agency.

(6) Working hours do not include the time in official leave status. If a state officer or state employee engages in activity that would fall under RCW 42.52.180(1) while on leave, the state officer or state employee may not make use of any of the facilities of the agency.

(7) The definition of working hours also includes any time a state officer or state employee is actually working; for example overtime.

(8) The governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, and the insurance commissioner are elected to office and hold office for a term of four years and until their successors are elected and qualified. Since these officers are elected to a term of office, they do not have working hours and may engage in activity that would fall under RCW 42.52.180(1) at any time. However, if these officers engage in activity that would fall under RCW 42.52.180(1), they may not make use of any facilities of an agency except as provided in RCW 42.52.180(2).

[Statutory Authority: RCW 42.52.360. WSR 18-11-062, § 292-110-020, filed 5/14/18, effective 6/14/18. Statutory Authority: RCW 42.52.180(1) and 42.52.360 (2)(b). WSR 96-22-030, § 292-110-020, filed 10/30/96, effective 11/30/96.]

AMENDATORY SECTION (Amending WSR 18-11-062, filed 5/14/18, effective 6/14/18)

**WAC 292-110-060 Current state officers and employees contracting with state agencies.** (1) **Approval required** - Under RCW 42.52.120(2), a state officer or state employee must receive board approval before entering into, or obtaining a beneficial interest in, a contract or grant with a state agency only if the process for awarding the contract or grant was not open and competitive, or, whenever only one bid or application was received. The review of the contract or grant is to determine whether performance under the contract or grant by the state employee or state officer is in accordance with the Ethics in Public Service Act.

(2) **Application for approval** - State officers and state employees seeking the approval of the board for a contract or grant application, must provide the following information to the executive director no later than thirty days prior to the commencement of the contract or grant:

(a) A description of current official duties and responsibilities;

(b) A statement of the work to be performed and a copy of the contract or grant;

(c) The duration and dollar value of the contract or grant, if applicable;

(d) A statement that no state resources will be used to perform or to fulfill the contract or grant;

(e) A description of how the work will be performed without the use of state resources; and

(f) A statement that the employing agency has reviewed or approved the outside contract or grant under applicable rules or policies, except when requesting a conditional approval as provided in subsection (3)(b) of this section.

(3) **Approval process** - The executive director will review the contract or grant application and related documents and determine whether there could be a potential conflict with RCW 42.52.120(1) or other applicable provisions of the Ethics in Public Service Act. If the executive director determines:

(a) There would be no potential conflict under RCW 42.52.120(1) or other applicable provisions of chapter 42.52 RCW, the executive director will approve the contract or grant application;

(b) There would be no potential conflict under RCW 42.52.120(1) or other applicable provisions of chapter 42.52 RCW but the contract or grant application has not been approved by the appointing authority, the executive director may conditionally approve the contract or grant application; or

(c) There could be a potential conflict under RCW 42.52.120(1) or other applicable provisions of chapter 42.52 RCW, the executive director will refer the matter to the board for approval or disapproval.

(4) **Contract or grant amendments.** If a contract or grant has been amended or the scope of work altered, and the effect of the amendment or alteration may create a potential conflict of interest under RCW 42.52.120(1) or other applicable provisions of chapter 42.52 RCW, a state officer or state employee must resubmit the contract or grant to the board at least fifteen days prior to commencement of work under the amended or altered contract or grant.

(5) **Series of similar contracts or grants.** If a state officer or state employee anticipates receiving a series of substantially identical contracts or grants with a state agency, the state officer or state employee may request that the board preapprove such contracts or grants. Preapproval will be effective for the period of one calendar year, after which the state officer or state employee must resubmit the request.

(6) **Exemptions, preapproved contracts or grants.** A state officer or state employee who has a contract or grant or a beneficial interest in a contract or grant which is preapproved by the board under this section is not required to file an application for approval of the contract or grant. However, a state officer or state employee is responsible for determining that the contract or grant would not conflict with RCW 42.52.120(1) or other applicable provisions of chapter 42.52 RCW. Provided that the applicable conditions in RCW 42.52.120(1) are met, the following contracts or grants are preapproved by the board:

(a) A contract or grant in which a state officer or state employee receives assistance through state programs or federal programs administered by the state when they are entitled to receive such assistance by law and on the same basis as similarly situated citizens, and when the state officer or state employee does not exercise discretionary judgment with regard to an assistance program for which (~~he or~~ she) the state officer or employee is otherwise eligible;

(b) A contract to perform teaching duties at a community college, vocational-technical school, or institution of higher learning, provided no state resources are used to perform the duties; there is no conflict with the performance of official duties; and the state officer or state employee did not use (~~his or her~~) the state officer or state employee's official position to influence the contract of employment;

(c) A contract held by a spouse, in which the state officer or state employee has a beneficial interest, with a state agency, provided that the state officer or state employee did not participate in the contract;

(d) A contract that was received by a state officer or state employee of an institution of higher education to provide expert witness services in state litigation provided no state resources are used to perform the duties; there is no conflict with the performance of official duties; and the state officer or state employee did not use (~~his or her~~) the state officer or state employee's official position to influence the contract.

(7) **Filing required** - Final contracts or grants reviewed under this rule must be filed with the board within thirty days of execution.

AMENDATORY SECTION (Amending WSR 18-20-107, filed 10/2/18, effective 11/2/18)

**WAC 292-130-100 Processing of public records requests—General.**

(1) Upon receipt of a request, the executive ethics board will assign it a tracking number and log it in.

(2) The public records officer or designee will evaluate the request according to the nature of the request, volume, and availability of requested records.

(3) Following the initial evaluation of the request under this subsection, and within five business days of receipt of the request, the public records officer or designee will do one or more of the following:

(a) Make the records available for inspection or copying including:

(i) If the copies are available on the executive ethics board's website, provide the internet address and link on the website to the specific records requested;

(ii) If copies are requested and payment of a deposit for the copies, if any, is made or other terms of payment are agreed upon, send the copies to the requestor.

(b) Acknowledge receipt of the request and provide a reasonable estimate of when records or an installment of records will be available; or

(c) Acknowledge receipt of the request and ask the requestor to provide clarification for a request that is unclear, and provide, to the greatest extent possible, a reasonable estimate of time the executive ethics board will require to respond to the request if it is not clarified.

(i) Such clarification may be requested and provided by telephone and memorialized in writing;

(ii) If the requestor fails to respond to a request for clarification and the entire request is unclear, the executive ethics board

need not respond to it. The executive ethics board will respond to those portions of a request that are clear; or

(d) Deny the request.

(4) If the executive ethics board does not respond in writing within five business days of receipt of the request for disclosure, the requestor should contact the public records officer or designee to determine the reason for the failure to respond.

(5) In the event that the requested records contain information that may affect rights of others and may be exempt from disclosure, the public records officer or designee may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure. Such notice should be given so as to make it possible for those other persons to contact the requestor and ask ~~((him or her))~~ the requestor to revise the request, or, if necessary, seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.

(6) Some records are exempt from disclosure, in whole or in part. If the executive ethics board believes that a record is exempt from disclosure and should be withheld, the public records officer or designee will state the specific exemption and provide a brief written explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer or designee will redact the exempt portions, provide the nonexempt portions, and indicate to the requestor why portions of the record are being redacted.

(7) Consistent with other demands, the executive ethics board will promptly provide space to inspect public records. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor must indicate which documents ~~((he or she wishes))~~ they wish the executive ethics board to copy.

The requestor must claim or review the assembled records within thirty days of the executive ethics board's notification to ~~((him or her))~~ the requestor that the records are available for inspection or copying. The agency will notify the requestor in writing of this requirement and inform the requestor that ~~((he or she))~~ they should contact the agency to make arrangements to claim or review the records. If the requestor or a representative of the requestor fails to claim or review the records within the thirty-day period or make other arrangements, the executive ethics board may close the request and refile the assembled records. Other public records requests can be processed ahead of a subsequent request by the same person for the same or almost identical records, which can be processed as a new request.

(8) After inspection is complete, the public records officer or designee will make the requested copies or arrange for copying. Where executive ethics board charges for copies, the requestor must pay for the copies.

(9) When the request is for a large number of records, the public records officer or designee will provide access for inspection and copying in installments, if ~~((he or she))~~ the public records officer or designee reasonably determine~~((s))~~ that it would be practical to provide the records in that way. If, within thirty days, the requestor fails to inspect the entire set of records or one or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request.

(10) When the inspection of the requested records is complete and all requested copies are provided, the public records officer or des-

ignee will indicate that the executive ethics board has completed a reasonable search for the requested records and made any located non-exempt records available for inspection.

(11) When the requestor either withdraws the request, fails to clarify an entirely unclear request, fails to fulfill (~~his or her~~) their obligations to inspect the records, pay the deposit, pay the required fees for an installment, or make final payment for the requested copies, the public records officer or designee will close the request and, unless the agency has already indicated in previous correspondence that the request would be closed under the above circumstances, indicate to the requestor that the executive ethics board has closed the request.

(12) If, after the executive ethics board has informed the requestor that it has provided all available records, the executive ethics board becomes aware of additional responsive documents existing at the time of the request, it will promptly inform the requestor of the additional documents and provide them on an expedited basis.

Adopts or incorporates by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule.

Content is explicitly and specifically dictated by statute.

Explanation of the Reason the Agency Believes the Expedited Rule-Making Process is Appropriate: This rule making is to incorporate new explicit laws passed by the 2023 state legislature to allow cosmetology applicants to register for or take their exams if they are within 100 hours of education completion. The department is filing through expedited rule making to have our WAC reflect this change as soon as possible after the legislation's effective date of July 23, 2023.

NOTICE

THIS RULE IS BEING PROPOSED UNDER AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THIS USE OF THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO Kelsey Stone, Department of Licensing, 1125 Washington Street S.E., Olympia, WA 98504, phone 360-902-0131, email rulescoordinator@dol.wa.gov, AND RECEIVED BY August 7, 2023.
