## PERMANENT RULES

## DEPARTMENT OF HEALTH

(Board of Physical Therapy)

[Filed October 13, 2023, 4:27 p.m., effective November 13, 2023]

Effective Date of Rule: Thirty-one days after filing.

Purpose: Health equity continuing education (CE) rules for the physical therapy and physical therapy assistant professions, WAC 246-915-085. The board of physical therapy (board) is adopting an amendment to WAC 246-915-085 to implement ESSB 5229 (chapter 276, Laws of 2021). The board is adopting and exceeding the health equity model rule minimum standards, WAC 246-12-800 through 246-12-830, for the physical therapy and physical therapy assistant profession to comply with RCW 43.70.613.

RCW 43.70.613 (3) (b) directs the rule-making authority for each health profession licensed under Title 18 RCW that is subject to CE to adopt rules requiring a licensee to complete health equity CE training at least once every four years. The statute also directs the department of health (department) to create model rules establishing the minimum standards for health equity CE programs. The department filed model rules for health equity CE minimum standards on November 23, 2022, under WSR 22-23-167. Any rules developed for the board must meet or exceed the minimum standards in the model rules in WAC 246-12-800 through 246-12-830.

The board's adopted rule adds two hours of health equity education to be completed as part of the current CE requirements every two years. This exceeds the two hours of health equity education to be completed every four years required in the model rules. The proposed rule requires two hours in health equity CE every two years which can be counted under existing CE requirements for the profession. No additional topics are being added to the model rules requirements.

Citation of Rules Affected by this Order: Amending WAC 246-915-085.

Statutory Authority for Adoption: RCW 18.74.023 and 43.70.613.
