PERMANENT RULES

DEPARTMENT OF HEALTH

[Filed July 31, 2024, 7:46 a.m., effective August 31, 2024]

Effective Date of Rule: Thirty-one days after filing.

Purpose: Drinking water state revolving fund (DWSRF) loan program, chapter 246-296 WAC. The department of health (department) is adopting rule amendments to incorporate the federal requirements of the Bipartisan Infrastructure Law (BIL) - P.L. 117-58 - Bipartisan Infrastructure Investment and Jobs Act. The adopted rules redefine the definition of a disadvantaged community and change the state revolving fund priority point system for project rating and ranking proportionate with need.

Citation of Rules Affected by this Order: Amending WAC 246-296-020, 246-296-050, 246-296-100, and 246-296-130.

Statutory Authority for Adoption: RCW 70A.125.160 Federal Safe Drinking Water Act.

Adopted under notice filed as WSR 24-11-106 on May 17, 2024.

Changes Other than Editing from Proposed to Adopted Version: The following clarifying change was made to the proposed rule as a result of a suggestion received during the public comment period. In the second sentence of WAC 246-296-020(8), which is the definition of "Disadvantaged community," the department added the words "but not limited to" after "including" and replaced the word "and" with "or." This change clarifies that the list of indicators that will be used in determining areas that will qualify as disadvantaged communities is not exhaustive in nature.
