4 On page on page 64 of the amendment, line 3, after "(2)"
5 strike all material through "act" on line 7 and insert "When
6 protection of natural resources of state-wide significance is
7 desired, a county or city shall do so by a permanent conveyance of
8 sufficient interest to prevent its development. Local governments
9 may utilize a variety of methods to limit the future use of or
10 otherwise conserve natural resources of state-wide significance
11 including incentive zoning, the acquisition by gift, purchase,
12 grant, devise, lease, or otherwise, the fee simple or lesser
13 interest, transfer of development right, easement, covenant, or
14 other contractual right"

EFFECT: Requires that natural resources of state-wide
significance be protected by public acquisition or purchase of
development rights.
