HB 1028 - H AMD 213 Adopted 3-15-91

2 By Representatives Horn and Pruitt

3 On page 66, beginning on line 7 of the striking amendment,
4 strike all material through "70.94.431" on page 67, line 4, and
5 insert "The department shall prepare recommendations to reduce air
6 emissions for source categories not generally required to have a
7 permit under section 301 of this act. Such recommendations shall
8 not require any action by the owner or operator of a source and
9 shall be consistent with rules adopted under chapter 70.95C RCW.
10 The recommendations shall include but not be limited to: process
11 changes, product substitution, equipment modifications, hazardous
12 substance use reduction, recycling, and energy efficiency"

EFFECT: Deletes a provision requiring certain smaller industries to submit air pollution reduction plans. Directs the Department of Ecology to develop recommendations, to be used on a voluntary basis, for such industries.
