**HB 1028 - H AMD TO H COMM AMD 208 Failed 3-15-91**

2 By Representatives Van Luven, Horn and Edmondson

3 On page 54, beginning on line 1 of the striking amendment,  
4 strike all material through "standards." on line 9, and insert "(1)  
5 It is the intent of the legislature that the state take advantage  
6 of the best emission control systems available on new motor  
7 vehicles. The department shall conduct a study to determine if  
8 requiring new gasoline or diesel-powered vehicles sold in the state  
9 to meet California vehicle emission standards will provide a  
10 significant benefit to attaining federal air quality standards.

11 (2) The department shall report the findings of its study to  
12 the appropriate standing committees of the legislature. The  
13 department shall include in its report a recommendation on whether  
14 or not california emission standards should be adopted. The  
15 department shall not pursue adopt of california vehicle emission  
16 standards until directed, by the legislature, to do so.

17 (3) In the event that california vehicle emission standards  
18 are adopted, the department shall not include a program for in-use  
19 testing and recall of vehicles required to meet california emission  
20 standards"

EFFECT: Requires Ecology to conduct study of california  
emission standards and to report to legislature prior to  
adopting standards. Prohibits Ecology from implementing a  
program to ensure that used vehicles meet emission standards.
