SHB 1320 - H AMDS 149 Adopted 3-18-91

2 By Representatives Hargrove, Applewick and Haugen

3 On page 4, line 18, strike "a known" and insert "an
4 instrumentality that the party knows or reasonably should have
5 known is a"

6 On page 4, line 19, strike "a known" and insert "an
7 instrumentality that the party knows or reasonably should have
8 known is a"

EFFECT: The language requiring a party to have knowledge that an agreement will conceal a public hazard is technically rewritten to clarify that the standard to be applied is that the party entering into the contract must know or reasonably should have known that the instrumentality is a public hazard.
