3 On page 47, line 13, after "assistance." insert "Of this  
4 amount \$1,700,000 shall be allocated by the department for the  
5 purpose of supporting the operation of food banks, food  
6 distribution programs, and tribal voucher programs, for the  
7 purchase, transportation and storage of food under the emergency  
8 food assistance program. The remaining \$300,000 shall be  
9 allocated to food banks in timber-dependent communities.

10 "Timber-dependent communities" means any community in a county  
11 where: (a) the employment security department certifies a logging  
12 and lumber employment location quotient equal or greater than the  
13 state average; or (b) direct logging and lumber job loss is  
14 greater than or equal to 100."

EFFECT: Includes criteria for distribution of \$2,000,000.  
Earmarks \$300,000 for allocation to timber-dependent  
communities. Defines timber-dependent communities based on  
criteria developed by the Employment Security Department.
