5 section:

6 "NEW SECTION. **Sec. 918.** All appropriations in this act  
7 shall be subject to the provisions of this section, which limits  
8 growth in the number of full time equivalent state employees.  
9 The office of financial management shall require each agency to  
10 place in reserve an amount from each fund source equal to the  
11 amount of salaries and benefits saved by limiting the growth of  
12 total state full time equivalent employment to three percent over  
13 the estimated actual 1989-91 employment shown in the governor's  
14 December, 1990, budget submission. Upon being placed in reserve,  
15 a portion of each appropriation, equal to the amount placed in  
16 reserve from that appropriation shall lapse. Reserve amounts for  
17 non-appropriated funds shall be held in reserve through the  
18 allotment process. In implementing this section, the office of  
19 financial management shall accomplish the required savings  
20 without reducing the number of higher education faculty assumed  
21 in this act."

EFFECT: Limits the growth of state employment to 3 percent  
over 1989-91 levels. Requires resulting savings in  
appropriations to lapse.
