2 By Representative Jacobsen

3 On page 2, after line 7, insert:

4 "NEW SECTION. Sec. 2. A new section is added to chapter 80.36
5 RCW to read as follows:

6 Prior to approving any automatic caller, number, or location
7 identification telecommunications service, other than enhanced 911,
8 the commission, in conjunction with one or more telecommunications
9 companies, shall conduct a pilot study to determine the benefits
10 and disadvantages to automatic caller, number, or location
11 identification services. The pilot study shall specifically
12 compare the benefits of automatic number or caller identification
13 with call trace in reducing and in responding to complaints related
14 to menacing or harassing telephone calls. The pilot study shall
15 also compare the benefits and disadvantages of services which
16 provide for blocking of the display of the caller's name and number
17 on calls from the subscriber's line."
