4 On page 4, line 2, after "received." insert:

5 "(3) Within six months of application, eligible applicants  
6 for aid to families with dependent children who are under the age  
7 of twenty-one who do not have a high school diploma or GED at the  
8 time of application shall enroll in, and show satisfactory progress  
9 toward completion of, a high school or a GED degree. Failure to do  
10 so shall result in termination from the program for at least ninety  
11 days. A recipient is exempt from this section if (1) he or she is  
12 the parent of a child under three months of age, living in the  
13 home; or (2) child care is needed for the teenager to attend  
14 school, but licensed or certified child care is not available; or  
15 (3) transportation to and from child care is needed for the  
16 recipient's child and there is no transportation available."
