

By Representative Grant

1 **SSB 5518** - H COMM AMD **ADOPTED 4-10-91**

2 By Committee on Energy and Utilities

3 On page 2, line 28, beginning with "registered" strike all

4 material through "customer" on line 29 and insert "providing"

EFFECT: Changes definition of interexchange carrier by removing requirement that carrier be registered with the FCC and requires that it provide transmissions between exchanges.
