

1 **ESSB 5552** - H AMD  
2 By Representative

3 On page 2, line 2, after "chapter." insert;

4 "The department of health shall prohibit the installation of  
5 hazardous material transmission systems which may adversely affect  
6 water systems dependant upon federally-designated sole-source  
7 aquifers."

EFFECT: The amendment would require the department of health  
to protect sole-source aquifers.
