4	On page 1, beginning on line 18, strike all of subsection 2(c)
5	and insert the following:
6	"(c) Any community college that in 1990-91 has excess
7	enrollment above the authorized variance, by means of enrollments
8	that otherwise would have been eligible for state funding, shall
9	not increase its excess enrollment above the 1990-91 level. The
10	community college need not reduce such excess enrollments until
11	additional state-funded enrollments are allocated to the college,
12	at which time, each additional state-funded enrollment shall
13	replace one excess enrollment, until excess enrollments are within
14	the authorized variance.

15 <u>Effect:</u> Community colleges are not required to reduce excess enrollments until additional state-funded enrollments are allocated to the college.
