9 (1) The legislature finds that victims of sexual assault, childhood
10 sexual abuse, or domestic violence may be at a greater risk for

19 for chemical dependency counselors, and volunteer workers and staff
20 personnel of domestic violence programs, childhood sexual abuse

1 (3) The department shall select two sites in the state to serve as
2 first year training sites. The sites must have chemical dependency,
3 sexual assault, childhood sexual abuse, and domestic violence programs.
4 By January 1, 1994, the department, in consultation with
5 representatives from rape crisis, sexual assault, domestic violence
6 shelters and safehomes, and chemical dependency treatment providers,
