6 following:

7 "NEW SECTION. **Sec. 1.** The legislature finds that the
8 rehabilitation process may be enhanced by participation in training,
9 education, and employment-related incentive programs and may be a
10 consideration in reducing time in confinement."

11 "NEW SECTION. **Sec. 2.** A new section is added to chapter 72.60 RCW
12 to read as follows:

13 (1) The department of corrections shall develop, in accordance with
14 RCW 72.09.010, a site-specific implementation plan for prison
15 industries space at Clallam Bay corrections center, McNeil Island
16 corrections center, and the one thousand twenty-four bed medium
17 security prison as appropriated for and authorized by the legislature.

18 (2) Each implementation plan shall include, but not be limited to,
19 sufficient space and design elements that try to achieve a target of
20 twenty-five percent of the total inmates in class I employment programs
21 and twenty-five percent of the total inmates in class II employment
22 programs or as much of the target as possible without jeopardizing the
23 efficient and necessary day-to-day operation of the prison. The
24 implementation plan shall also include educational opportunities and
25 employment, wage, and other incentives. The department shall include
26 in the implementation plans an incentive program based on wages, and
27 the opportunity to contribute all or a portion of their wages towards

1 an array of incentives. The funds recovered from the sale, lease, or
2 rental of incentives should be considered as a possible source of
3 revenue to cover the capitalized cost of the additional space necessary
4 to accommodate the increased class I and class II industries programs.

5 (3) The incentive program shall be developed so that inmates can
6 earn higher wages based on performance and production. Only those
7 inmates employed in class I and class II jobs may participate in the
8 incentive program. The department shall develop special program
9 criteria for inmates with physical or mental handicaps so that they can
10 participate in the incentive program.

11 (4) The department shall propose rules specifying that inmate
12 wages, other than the amount an inmate owes for taxes, legal financial
13 obligations, and to the victim restitution fund, shall be returned to
14 the department to pay for the cost of prison operations, including room
15 and board.

16 (5) The plan shall identify actual or potential legal or
17 operational obstacles, or both, in implementing the components of the
18 plan as specified in this section, and recommend strategies to remove
19 the obstacles.

20 (6) The department shall submit the plan to the appropriate
21 committees of the legislature and to the governor by October 1, 1991."

22 "NEW SECTION. Sec. 3. The overall prison design plans for new
23 construction at Clallam Bay corrections center, McNeil Island
24 corrections center, and the one thousand twenty-four bed medium
25 security prison as appropriated for and authorized by the legislature
26 shall not be inconsistent with the implementation plan outlined in this
27 act. No provision under this act shall require the department of
28 corrections to redesign, postpone, or delay the construction of any of
29 the facilities outlined in section 2 of this act."

1 "NEW SECTION. Sec. 4. If any provision of this act or its
2 application to any person or circumstance is held invalid, the
3 remainder of the act or the application of the provision to other
4 persons or circumstances is not affected."

5 "NEW SECTION. Sec. 5. This act is necessary for the immediate
6 preservation of the public peace, health, or safety, or support of the
7 state government and its existing public institutions, and shall take
8 effect immediately."
