16 (2) The commission may expend moneys from
17 this appropriation for acquisition of the
18 Skykomish river property under subsection (1)(n)
19 of this section only to the extent that moneys
20 remain available after the commission has made
21 all reasonable efforts to acquire the other
22 properties identified in this subsection. If
23 funds remain available after all properties in
24 (a) through (n) of this subsection have been
25 purchased, the commission may purchase additional
