4 without compensation under and agreement between jurisdictions under

6 "NEW SECTION. Sec. 10. Because of the possibility of the  
7 occurrence of disastrous fires or other disasters of unprecedented size  
8 and destructiveness, the need to insure that the state is adequately  
9 prepared to respond to such a fire or disaster, the need to establish  
10 a mechanism and a procedure to provide for reimbursement to fire  
11 fighting agencies that respond to help others in time of need, and  
12 generally to protect the public peace, health, safety, lives, and  
13 property of the people of Washington, it is hereby declared necessary  
14 to:

15 (1) Provide the policy and organizational structure for large scale  
16 mobilization of fire fighting resources in the state through creation  
17 of the Washington state fire services mobilization plan;

14 necessary, and approve the fire services mobilization plan for  
15 inclusion within the state comprehensive emergency management plan.

16 It is the responsibility of the director to mobilize jurisdictions  
17 under the Washington state fire services mobilization plan. The state  
18 fire marshal shall serve as the state fire resources coordinator when  
19 the Washington state fire services mobilization plan is mobilized."
