21 **"PART I - HEALTH CARE COST AND ACCESS COMMISSION"**

22 "NEW SECTION. Sec. 1. DUTIES AND RESPONSIBILITIES. In addition
23 to the duties and responsibilities specified in House Concurrent
24 Resolution No. 4443 adopted by the legislature in 1990, the health care
25 cost and access commission authorized therein shall in its report to

1 the legislature and the governor on November 1, 1992, make
2 recommendations on the following:

3 (1) Recommend proposed alternative uniform benefit plans that the
4 legislature should consider, including estimates of the cost of each
5 alternative plan and recommendations on copayments, deductibles, and
6 premium sharing that should be included; and

7 (2) Analyze the effects and implications of the Employee's
8 Retirement Income Security Act (ERISA) self-funding provisions and the
9 need for changes in federal law."

10 **"PART II - BASIC HEALTH PLAN"**

11 **"Sec. 2.** RCW 70.47.010 and 1987 1st ex.s. c 5 s 3 are each amended
12 to read as follows:

13 (1) The legislature finds that:

14 (a) A significant percentage of the population of this state does
15 not have reasonably available insurance or other coverage of the costs
16 of necessary basic health care services;

17 (b) This lack of basic health care coverage is detrimental to the
18 health of the individuals lacking coverage and to the public welfare,
19 and results in substantial expenditures for emergency and remedial
20 health care, often at the expense of health care providers, health care
21 facilities, and all purchasers of health care, including the state; and

22 (c) The use of managed health care systems has significant
23 potential to reduce the growth of health care costs incurred by the
24 people of this state generally, and by low-income pregnant women who
25 are an especially vulnerable population, along with their children, and
26 who need greater access to managed health care.

27 (2) The purpose of this chapter is to provide or make available
28 necessary basic health care services in an appropriate setting to

1 working persons and others who lack coverage, at a cost to these
2 persons that does not create barriers to the utilization of necessary
3 health care services. To that end, this chapter establishes a program
4 to be made available to those residents under sixty-five years of age
5 not otherwise eligible for medicare with gross family income at or
6 below ~~((two))~~ three hundred percent of the federal poverty guidelines
7 who share in a portion of the cost or who pay the full cost of
8 receiving basic health care services from a managed health care system.

9 (3) It is not the intent of this chapter to provide health care
10 services for those persons who are presently covered through private
11 employer-based health plans, nor to replace employer-based health
12 plans. Further, it is the intent of the legislature to expand,
13 wherever possible, the availability of private health care coverage and
14 to discourage the decline of employer-based coverage.

15 ~~((The program authorized under this chapter is strictly limited
16 in respect to the total number of individuals who may be allowed to
17 participate and the specific areas within the state where it may be
18 established. All such restrictions or limitations shall remain in full
19 force and effect until quantifiable evidence based upon the actual
20 operation of the program, including detailed cost benefit analysis, has
21 been presented to the legislature and the legislature, by specific act
22 at that time, may then modify such limitations))~~

23 (a) It is the purpose of this chapter to acknowledge the initial
24 success of this program that has (i) assisted thousands of families in
25 their search for affordable health care; (ii) demonstrated that low-
26 income uninsured families are willing to pay for their own health care
27 coverage to the extent of their ability to pay; and (iii) proved that
28 local health care providers are willing to enter into a public/private
29 partnership as they configure their own professional and business
30 relationships into a managed care system.

1 (b) As a consequence, the legislature intends to make the program
2 available to individuals with incomes below three hundred percent of
3 federal poverty guidelines within the state who reside in communities
4 where the plan is operational and who collectively or individually wish
5 to exercise the opportunity to purchase health care coverage through
6 the program if it is done at no cost to the state. It is also the
7 intent of the legislature to allow employers and other financial
8 sponsors to assist such individuals purchase health care through the
9 program."

10 **"Sec. 3.** RCW 70.47.020 and 1987 1st ex.s. c 5 s 4 are each amended
11 to read as follows:

12 As used in this chapter:

13 (1) "Washington basic health plan" or "plan" means the system of
14 enrollment and payment on a prepaid capitated basis for basic health
15 care services, administered by the plan administrator through
16 participating managed health care systems, created by this chapter.

17 (2) "Administrator" means the Washington basic health plan
18 administrator.

19 (3) "Managed health care system" means any health care
20 organization, including health care providers, insurers, health care
21 service contractors, health maintenance organizations, or any
22 combination thereof, that provides directly or by contract basic health
23 care services, as defined by the administrator and rendered by duly
24 licensed providers, on a prepaid capitated basis to a defined patient
25 population enrolled in the plan and in the managed health care system.

26 (4) "Enrollee" means an individual, or an individual plus the
27 individual's spouse and/or dependent children, all under the age of
28 sixty-five and not otherwise eligible for medicare, who resides in an
29 area of the state served by a managed health care system participating

1 in the plan, (~~whose gross family income at the time of enrollment does~~
2 ~~not exceed twice the federal poverty level as adjusted for family size~~
3 ~~and determined annually by the federal department of health and human~~
4 ~~services,~~) who chooses to obtain basic health care coverage from a
5 particular managed health care system in return for periodic payments
6 to the plan. Nonsubsidized enrollees shall be considered enrollees
7 unless otherwise specified.

8 (5) "Nonsubsidized enrollee" means an enrollee who pays the full
9 premium for participation in the plan and shall not be eligible for any
10 subsidy from the plan.

11 (6) "Subsidy" means the difference between the amount of periodic
12 payment the administrator makes, from funds appropriated from the basic
13 health plan trust account, to a managed health care system on behalf of
14 an enrollee plus the administrative cost to the plan of providing the
15 plan to that enrollee, and the amount determined to be the enrollee's
16 responsibility under RCW 70.47.060(2).

17 (~~(6)~~) (7) "Premium" means a periodic payment, based upon gross
18 family income and determined under RCW 70.47.060(2), which an enrollee
19 makes to the plan as consideration for enrollment in the plan.

20 (~~(7)~~) (8) "Rate" means the per capita amount, negotiated by the
21 administrator with and paid to a participating managed health care
22 system, that is based upon the enrollment of enrollees in the plan and
23 in that system."

24 "Sec. 4. RCW 70.47.030 and 1991 sp.s. c 13 s 68 and 1991 sp.s. c
25 4 s 1 are each reenacted and amended to read as follows:

26 (1) The basic health plan trust account is hereby established in
27 the state treasury. (~~All~~) Any nongeneral fund-state funds collected
28 for this program shall be deposited in the basic health plan trust
29 account and may be expended without further appropriation. Moneys in

1 the account shall be used exclusively for the purposes of this chapter,
2 including payments to participating managed health care systems on
3 behalf of enrollees in the plan and payment of costs of administering
4 the plan. After July 1, 1991, the administrator shall not expend or
5 encumber for an ensuing fiscal period amounts exceeding ninety-five
6 percent of the amount anticipated to be spent for purchased services
7 during the fiscal year.

8 (2) The basic health plan subscription account is created in the
9 custody of the state treasurer. All receipts from amounts due under
10 RCW 70.47.060 (10) and (11) shall be deposited into the account. Funds
11 in the account shall be used exclusively for the purposes of this
12 chapter, including payments to participating managed health care
13 systems on behalf of enrollees in the plan and payment of costs of
14 administering the plan. The account is subject to allotment
15 procedures under chapter 43.88 RCW, but no appropriation is required
16 for expenditures.

17 (3) The administrator shall take every precaution to see that none
18 of the funds in the separate accounts created in this section or that
19 any premiums paid either by subsidized or nonsubsidized enrollees are
20 commingled in any way, except that the administrator may combine funds
21 designated for administration of the plan into a single administrative
22 account."

23 **"Sec. 5.** RCW 70.47.060 and 1991 sp.s. c 4 s 2 and 1991 c 3 s 339
24 are each reenacted and amended to read as follows:

25 The administrator has the following powers and duties:

26 (1) To design and from time to time revise a schedule of covered
27 basic health care services, including physician services, inpatient and
28 outpatient hospital services, and other services that may be necessary
29 for basic health care, which enrollees in any participating managed

1 health care system under the Washington basic health plan shall be
2 entitled to receive in return for premium payments to the plan. The
3 schedule of services shall emphasize proven preventive and primary
4 health care, shall include all services necessary for prenatal,
5 postnatal, and well-child care, and shall include a separate schedule
6 of basic health care services for children, eighteen years of age and
7 younger, for those enrollees who choose to secure basic coverage
8 through the plan only for their dependent children. In designing and
9 revising the schedule of services, the administrator shall consider the
10 guidelines for assessing health services under the mandated benefits
11 act of 1984, RCW 48.42.080, and such other factors as the administrator
12 deems appropriate.

13 (2) To design and implement a structure of periodic premiums due
14 the administrator from enrollees that is based upon gross family
15 income, giving appropriate consideration to family size as well as the
16 ages of all family members. The enrollment of children shall not
17 require the enrollment of their parent or parents who are eligible for
18 the plan.

19 (a) An employer or other financial sponsor may, with the approval
20 of the administrator, pay the premium on behalf of any enrollee, by
21 arrangement with the enrollee and through a mechanism acceptable to the
22 administrator, but in no case shall the payment made on behalf of the
23 enrollee exceed eighty percent of total premiums due from the enrollee.

24 (b) Premiums due from nonsubsidized enrollees, who are not
25 otherwise eligible to be enrollees, shall be in an amount equal to the
26 cost charged by the managed health care system provider to the state
27 for the plan plus the administrative cost of providing the plan to
28 those enrollees.

29 (3) To design and implement a structure of nominal copayments due
30 a managed health care system from enrollees. The structure shall

1 discourage inappropriate enrollee utilization of health care services,
2 but shall not be so costly to enrollees as to constitute a barrier to
3 appropriate utilization of necessary health care services.

4 (4) To design and implement, in concert with a sufficient number of
5 potential providers in a discrete area, an enrollee financial
6 participation structure, separate from that otherwise established under
7 this chapter, that has the following characteristics:

8 (a) Nominal premiums that are based upon ability to pay, but not
9 set at a level that would discourage enrollment;

10 (b) A modified fee-for-services payment schedule for providers;

11 (c) Coinsurance rates that are established based on specific
12 service and procedure costs and the enrollee's ability to pay for the
13 care. However, coinsurance rates for families with incomes below one
14 hundred twenty percent of the federal poverty level shall be nominal.
15 No coinsurance shall be required for specific proven prevention
16 programs, such as prenatal care. The coinsurance rate levels shall not
17 have a measurable negative effect upon the enrollee's health status;
18 and

19 (d) A case management system that fosters a provider-enrollee
20 relationship whereby, in an effort to control cost, maintain or improve
21 the health status of the enrollee, and maximize patient involvement in
22 her or his health care decision-making process, every effort is made by
23 the provider to inform the enrollee of the cost of the specific
24 services and procedures and related health benefits.

25 The potential financial liability of the plan to any such providers
26 shall not exceed in the aggregate an amount greater than that which
27 might otherwise have been incurred by the plan on the basis of the
28 number of enrollees multiplied by the average of the prepaid capitated
29 rates negotiated with participating managed health care systems under

1 RCW 70.47.100 and reduced by any sums charged enrollees on the basis of
2 the coinsurance rates that are established under this subsection.

3 (5) To limit enrollment of persons who qualify for subsidies so as
4 to prevent an overexpenditure of appropriations for such purposes.
5 Whenever the administrator finds that there is danger of such an
6 overexpenditure, the administrator shall close enrollment until the
7 administrator finds the danger no longer exists.

8 (6)(a) To limit the payment of a subsidy to an enrollee, as defined
9 in RCW 70.47.020, whose gross family income at the time of enrollment
10 does not exceed twice the federal poverty level adjusted for family
11 size and determined annually by the federal department of health and
12 human services.

13 (b) To limit participation of nonsubsidized enrollees in the plan
14 to those whose family incomes at the time of enrollment does not exceed
15 three times the federal poverty level adjusted for family size and
16 determined annually by the federal department of health and human
17 services.

18 (7) To adopt a schedule for the orderly development of the delivery
19 of services and availability of the plan to residents of the state,
20 subject to the limitations contained in RCW 70.47.080.

21 In the selection of any area of the state for the initial operation
22 of the plan, the administrator shall take into account the levels and
23 rates of unemployment in different areas of the state, the need to
24 provide basic health care coverage to a population reasonably
25 representative of the portion of the state's population that lacks such
26 coverage, and the need for geographic, demographic, and economic
27 diversity.

28 ~~((Before July 1, 1988, the administrator shall endeavor to secure~~
29 ~~participation contracts with managed health care systems in discrete~~
30 ~~geographic areas within at least five congressional districts.~~

1 ~~(7))~~ (8) To solicit and accept applications from managed health
2 care systems, as defined in this chapter, for inclusion as eligible
3 basic health care providers under the plan. The administrator shall
4 endeavor to assure that covered basic health care services are
5 available to any enrollee of the plan from among a selection of two or
6 more participating managed health care systems. In adopting any rules
7 or procedures applicable to managed health care systems and in its
8 dealings with such systems, the administrator shall consider and make
9 suitable allowance for the need for health care services and the
10 differences in local availability of health care resources, along with
11 other resources, within and among the several areas of the state.

12 ~~((8))~~ (9) To receive periodic premiums from enrollees, deposit
13 them in the basic health plan operating account, keep records of
14 enrollee status, and authorize periodic payments to managed health care
15 systems on the basis of the number of enrollees participating in the
16 respective managed health care systems.

17 ~~((9))~~ (10) To accept applications from individuals residing in
18 areas served by the plan, on behalf of themselves and their spouses and
19 dependent children, for enrollment in the Washington basic health plan,
20 to establish appropriate minimum-enrollment periods for enrollees as
21 may be necessary, and to determine, upon application and at least
22 annually thereafter, or at the request of any enrollee, eligibility due
23 to current gross family income for sliding scale premiums. An enrollee
24 who remains current in payment of the sliding-scale premium, as
25 determined under subsection (2) of this section, and whose gross family
26 income has risen above ~~((twice))~~ three times the federal poverty level,
27 may continue enrollment unless and until the enrollee's gross family
28 income has remained above ~~((twice))~~ three times the poverty level for
29 six consecutive months, by making payment at the unsubsidized rate
30 required for the managed health care system in which he or she may be

1 enrolled plus the administrative cost of providing the plan to that
2 enrollee. No subsidy may be paid with respect to any enrollee whose
3 current gross family income exceeds twice the federal poverty level or,
4 subject to RCW 70.47.110, who is a recipient of medical assistance or
5 medical care services under chapter 74.09 RCW. If a number of
6 enrollees drop their enrollment for no apparent good cause, the
7 administrator may establish appropriate rules or requirements that are
8 applicable to such individuals before they will be allowed to re-enroll
9 in the plan.

10 ((~~10~~)) (11) To accept applications from small business owners on
11 behalf of themselves and their employees, spouses, and dependents who
12 reside in an area served by the plan. The administrator may require
13 all or the substantial majority of the eligible employees of such
14 businesses to enroll in the plan and establish those procedures
15 necessary to facilitate the orderly enrollment of groups in the plan
16 and into a managed health care system. Such businesses shall have less
17 than fifty employees and enrollment shall be limited to those not
18 otherwise eligible for medicare, whose gross family income at the time
19 of enrollment does not exceed three times the federal poverty level as
20 adjusted for family size and determined by the federal department of
21 health and human services, who wish to enroll in the plan at no cost to
22 the state and choose to obtain the basic health care coverage and
23 services from a managed care system participating in the plan. The
24 administrator shall adjust the amount determined to be due on behalf of
25 or from all such enrollees whenever the amount negotiated by the
26 administrator with the participating managed health care system or
27 systems is modified or the administrative cost of providing the plan to
28 such enrollees changes. No enrollee of a small business group shall be
29 eligible for any subsidy from the plan and at no time shall the

1 administrator allow the credit of the state or funds from the trust
2 account to be used or extended on their behalf.

3 (12) To accept applications from individuals residing in areas
4 serviced by the plan, on behalf of themselves and their spouses and
5 dependent children, under sixty-five years of age and not otherwise
6 eligible for medicare, whose gross family income at the time of
7 enrollment does not exceed three times the federal poverty level as
8 adjusted for family size and determined by the federal department of
9 health and human services, who wish to enroll in the plan at no cost to
10 the state and choose to obtain the basic health care coverage and
11 services from a managed care system participating in the plan. Any
12 such nonsubsidized enrollees must pay the amount negotiated by the
13 administrator with the participating managed health care system and the
14 administrative cost of providing the plan to such nonsubsidized
15 enrollees and shall not be eligible for any subsidy from the plan.

16 (13) To determine the rate to be paid to each participating managed
17 health care system in return for the provision of covered basic health
18 care services to enrollees in the system. Although the schedule of
19 covered basic health care services will be the same for similar
20 enrollees, the rates negotiated with participating managed health care
21 systems may vary among the systems. In negotiating rates with
22 participating systems, the administrator shall consider the
23 characteristics of the populations served by the respective systems,
24 economic circumstances of the local area, the need to conserve the
25 resources of the basic health plan trust account, and other factors the
26 administrator finds relevant. In determining the rate to be paid to a
27 contractor, the administrator shall strive to assure that the rate does
28 not result in adverse cost shifting to other private payers of health
29 care.

1 (~~(11)~~) (14) To monitor the provision of covered services to
2 enrollees by participating managed health care systems in order to
3 assure enrollee access to good quality basic health care, to require
4 periodic data reports concerning the utilization of health care
5 services rendered to enrollees in order to provide adequate information
6 for evaluation, and to inspect the books and records of participating
7 managed health care systems to assure compliance with the purposes of
8 this chapter. In requiring reports from participating managed health
9 care systems, including data on services rendered enrollees, the
10 administrator shall endeavor to minimize costs, both to the managed
11 health care systems and to the administrator. The administrator shall
12 coordinate any such reporting requirements with other state agencies,
13 such as the insurance commissioner and the department of health, to
14 minimize duplication of effort.

15 (~~(12)~~) (15) To monitor the access that state residents have to
16 adequate and necessary health care services, determine the extent of
17 any unmet needs for such services or lack of access that may exist from
18 time to time, and make such reports and recommendations to the
19 legislature as the administrator deems appropriate.

20 (~~(13)~~) (16) To evaluate the effects this chapter has on private
21 employer-based health care coverage and to take appropriate measures
22 consistent with state and federal statutes that will discourage the
23 reduction of such coverage in the state.

24 (~~(14)~~) (17) To develop a program of proven preventive health
25 measures and to integrate it into the plan wherever possible and
26 consistent with this chapter.

27 (~~(15)~~) (18) To provide, consistent with available resources,
28 technical assistance for rural health activities that endeavor to
29 develop needed health care services in rural parts of the state."

1 **"Sec. 6.** RCW 70.47.080 and 1987 1st ex.s. c 5 s 10 are each
2 amended to read as follows:

3 On and after July 1, 1988, the administrator shall accept for
4 enrollment applicants eligible to receive covered basic health care
5 services from the respective managed health care systems which are then
6 participating in the plan. ~~((The administrator shall not allow the
7 total enrollment of those eligible for subsidies to exceed thirty
8 thousand.))~~

9 Thereafter, ~~((total))~~ the average monthly enrollment of those
10 eligible for subsidies during any biennium shall not exceed the number
11 established by the legislature in any act appropriating funds to the
12 plan, and total subsidized enrollment shall not result in expenditures
13 that exceed the total amount that has been made available by the
14 legislature in any act appropriating funds to the plan.

15 ~~((Before July 1, 1988, the administrator shall endeavor to secure
16 participation contracts from managed health care systems in discrete
17 geographic areas within at least five congressional districts of the
18 state and in such manner as to allow residents of both urban and rural
19 areas access to enrollment in the plan. The administrator shall make
20 a special effort to secure agreements with health care providers in one
21 such area that meets the requirements set forth in RCW 70.47.060(4).))~~

22 The administrator shall at all times closely monitor growth
23 patterns of enrollment so as not to exceed that consistent with the
24 orderly development of the plan as a whole, in any area of the state or
25 in any participating managed health care system. The annual or
26 biennial enrollment limitations derived from operation of the plan
27 under this section do not apply to nonsubsidized enrollees as defined
28 in RCW 70.47.020(6)."

1 **"Sec. 7.** RCW 70.47.120 and 1987 1st ex.s. c 5 s 14 are each
2 amended to read as follows:

3 In addition to the powers and duties specified in RCW 70.47.040 and
4 70.47.060, the administrator has the power to enter into contracts for
5 the following functions and services:

6 (1) With public or private agencies, to assist the administrator in
7 her or his duties to design or revise the schedule of covered basic
8 health care services, and/or to monitor or evaluate the performance of
9 participating managed health care systems.

10 (2) With public or private agencies, to provide technical or
11 professional assistance to health care providers, particularly public
12 or private nonprofit organizations and providers serving rural areas,
13 who show serious intent and apparent capability to participate in the
14 plan as managed health care systems.

15 (3) With public or private agencies, including health care service
16 contractors registered under RCW 48.44.015, and doing business in the
17 state, for marketing and administrative services in connection with
18 participation of managed health care systems, enrollment of enrollees,
19 billing and collection services to the administrator, and other
20 administrative functions ordinarily performed by health care service
21 contractors, other than insurance except that the administrator may
22 purchase or arrange for the purchase of reinsurance, or self-insure for
23 reinsurance, on behalf of its participating managed health care
24 systems. Any activities of a health care service contractor pursuant
25 to a contract with the administrator under this section shall be exempt
26 from the provisions and requirements of Title 48 RCW."

27 "NEW SECTION. **Sec. 8.** SUNSET REPEALED. The following acts or
28 parts of acts are each repealed:

29 (1) RCW 43.131.355 and 1987 1st ex.s. c 5 s 24; and

1 (2) RCW 43.131.356 and 1987 1st ex.s. c 5 s 25."

2 "PART III - BASIC HEALTH PLAN ENROLLMENT EXPANSION"

3 "NEW SECTION. **Sec. 9.** BASIC HEALTH PLAN ENROLLMENT EXPANSION.

4 The state basic health plan is authorized to expand the number of
5 state-subsidized enrollments from up to twenty-four thousand, as is
6 specified in 1991-93 biennial operating budget, section 230, chapter
7 16, Laws of 1991 sp. sess., to an enrollment limit of up to sixty-four
8 thousand. If specific funding for the purposes of this section,
9 referencing this act by bill number, is not provided by June 30, 1992,
10 in the omnibus appropriations act, this section shall become null and
11 void."

12 "PART IV - HEALTH DATA COLLECTION"

13 "**Sec. 10.** RCW 70.170.010 and 1989 1st ex.s. c 9 s 501 are each
14 amended to read as follows:

15 (1) The legislature finds and declares that there is a need for
16 health care information that helps the general public understand health
17 care issues and how they can be better consumers and that is useful to
18 purchasers, payers, and providers in making health care choices,
19 determining and monitoring the quality of health care services and
20 ((negotiating payments)) making health care purchasing decisions. It
21 is the purpose and intent of this chapter to establish a ((hospital))
22 personal health services data collection, storage, and retrieval system
23 which supports these data needs and which also provides public
24 officials and others engaged in the development of state health policy,
25 the purchasing of health care services, and the monitoring of the

1 health care system for quality the information necessary for the
2 analysis of health care issues.

3 (2) The legislature finds that rising health care costs and access
4 to health care services are of vital concern to the people of this
5 state. It is, therefore, essential that strategies be explored that
6 moderate health care costs and promote access to health care services.

7 (3) The legislature further finds that access to health care is
8 among the state's goals and the provision of such care should be among
9 the purposes of health care providers and facilities. Therefore, the
10 legislature intends that charity care requirements and related
11 enforcement provisions for hospitals be explicitly established.

12 (4) The lack of reliable statistical information about the delivery
13 of charity care is a particular concern that should be addressed. (~~It~~
14 ~~is the~~) A purpose (~~and intent~~) of this chapter is to require
15 hospitals to provide, and report to the state, charity care to persons
16 with acute care needs, and to have a state agency both monitor and
17 report on the relative commitment of hospitals to the delivery of
18 charity care services, as well as the relative commitment of public and
19 private purchasers or payers to charity care funding.

20 (5) It is further the intent of this chapter to designate the
21 department of health as depository agency for personal health data
22 collected pursuant to goals established in this section."

23 "Sec. 11. RCW 70.170.030 and 1989 1st ex.s. c 9 s 503 are each

9 provision of health care services. Members employed by the state shall
10 serve without pay and participation in the council's work shall be
11 deemed performance of their employment. The public members shall be
12 compensated in accordance with RCW 43.03.240 and shall be reimbursed

18 duties require. The council shall keep minutes of its meetings and
19 adopt procedures for the governing of its meetings, minutes, and
20 transactions.

21 (3) (~~Four~~) Seven members shall constitute a quorum, but a vacancy
22 on the council shall not impair its power to act. No action of the
23 council shall be effective unless (~~four~~) seven members concur
24 therein."

25 "Sec. 12. RCW 70.170.040 and 1989 1st ex.s. c 9 s 504 are each
26 amended to read as follows:

27 (1) In order to advise the department and the board of health in
28 preparing executive request legislation and the state health report

2 health services data, the council shall monitor and evaluate (~~hospital~~
3 ~~and related~~) health care services consistent with RCW 70.170.010. In
4 fulfilling its responsibilities, the council shall have complete access
5 to all the department's data and information systems.

6 (2) The council shall advise the department on the hospital and
7 health care services data collection system required by this chapter.

8 (3) The council, in addition to participation in the development of
9 the state health report, shall, from time to time, report to the
10 governor and the appropriate committees of the legislature with
11 proposed changes in (~~hospital and related~~) health care services,
12 consistent with the findings in RCW 70.170.010.

13 (4) The department (~~may~~) shall undertake, with advice from the
14 council and within available funds, the following studies and
15 activities:

16 (a) Recommendations regarding health care cost containment, and the
17 assurance of access and maintenance of adequate standards of care;

18 (b) Analysis of the effects of various payment methods on health
19 care access and costs;

20 (c) The utility of the certificate of need program and related
21 health planning process;

22 (d) Methods of permitting the inclusion of advance medical
23 technology on the health care system, while controlling inappropriate
24 use;

25 (e) The appropriateness of allocation of health care services;

26 (f) Professional liabilities on health care access and costs, to
27 include:

28 (i) Quantification of the financial effects of professional
29 liability on health care reimbursement;

1 (ii) Determination of the effects, if any, of nonmonetary factors
2 upon the availability of, and access to, appropriate and necessary
3 basic health services such as, but not limited to, prenatal and
4 obstetrical care; and

5 (iii) Recommendation of proposals that would mitigate cost and
6 access impacts associated with professional liability.

7 ~~((The department shall report its findings and recommendations to
8 the governor and the appropriate committees of the legislature not
9 later than July 1, 1991.))~~ (g) Strategies to engage in data collection

12 (h) Strategies to standardize and coordinate existing state agency
13 health care data systems necessary to pursue objectives established
14 under RCW 70.170.010; and

15 (i) Strategies, to the extent possible, to develop data sharing
16 activities between the public and private sectors on personal health
17 data and to incorporate such data into the data repository consistent
18 with objectives established under RCW 70.170.010."

19 **"PART V - PRACTICE PARAMETERS AND RISK MANAGEMENT PROTOCOLS"**

20 "NEW SECTION. Sec. 13. LEGISLATIVE INTENT. The legislature finds
21 that improving the quality of health services provided by health care
22 professionals is an important public policy objective. It is in the
23 public's interest to assure that health care professionals utilize
24 diagnostic procedures and treatments that are appropriate and
25 efficacious.

26 The legislature further finds that the state of health care
27 technology and knowledge is increasingly advancing to the state where
28 it is possible to assess the effectiveness and appropriateness of

1 specific treatments and measure the quality of health care provided to
2 individuals. Such advances will permit a more systematic monitoring
3 and evaluation of services delivered by health care professionals
4 towards the goals of assuring appropriate and effective utilization of
5 such services.

6 The legislature finds and declares that practice guidelines or
7 parameters and risk management protocols can be an effective means for
8 assuring appropriate and efficacious treatments. Public policy should
9 be established to encourage their development and use."

10 "NEW SECTION. **Sec. 14.** DEPARTMENT ACTIVITIES. The department
11 shall consult with health care providers, purchasers, health
12 professional regulatory authorities under RCW 18.130.040, appropriate
13 research and clinical experts, and consumers of health care services to
14 identify specific practice areas where practice parameters and risk
15 management protocols can reasonably be developed. The department shall
16 make a report, including recommendations for legislation, to the
17 governor and appropriate legislative committees in the senate and house
18 of representatives by December 15, 1992, on the following:

19 (1) The health care services where practice parameters and risk
20 management protocols can reasonably be developed given the current
21 state of knowledge;

22 (2) The use of practice parameters and risk management protocols in
23 quality assurance and as standards in malpractice litigation;

24 (3) Practical issues involved in developing practice parameters and
25 risk management protocols, including needed data bases and monitoring
26 capabilities;

27 (4) Appropriate roles for the public and private interests in the
28 development and implementation of practice parameters and risk
29 management protocols, including the role of health professional

1 credentialing and disciplinary authorities, purchasers, consumers,
2 health care research institutions, and others; and

3 (5) A strategy for the development of practice parameters and risk
4 management protocols."

5 **"PART VI - HEALTH CARE MALPRACTICE REFORM"**

6 **"Sec. 15.** RCW 7.70.070 and 1975-'76 2nd ex.s. c 56 s 12 are each
7 amended to read as follows:

8 The court shall, in any action under this chapter, determine the
9 reasonableness of each party's fixed attorneys fees. The court shall
10 take into consideration the following:

11 (1) The time and labor required, the novelty and difficulty of the
12 questions involved, and the skill requisite to perform the legal
13 service properly;

14 (2) The likelihood, if apparent to the client, that the acceptance
15 of the particular employment will preclude other employment by the
16 lawyer;

17 (3) The fee customarily charged in the locality for similar legal
18 services;

19 (4) The amount involved and the results obtained;

20 (5) The time limitations imposed by the client or by the
21 circumstances;

22 (6) The nature and length of the professional relationship with the
23 client;

24 (7) The experience, reputation, and ability of the lawyer or
25 lawyers performing the services((+

26 ~~(8) Whether the fee is fixed or contingent))."~~

1 "NEW SECTION. Sec. 16. CONTINGENT ATTORNEYS' FEES LIMITED. (1)

2 As used in this section:

3 (a) "Contingency fee agreement" means an agreement that an
4 attorney's fee is dependent or contingent, in whole or in part, upon
5 successful prosecution or settlement of a claim or action, or upon the
6 amount of recovery.

7 (b) "Properly chargeable disbursements" means reasonable expenses
8 incurred and paid by an attorney on a client's behalf in prosecuting or
9 settling a claim or action.

10 (c) "Recovery" means the amount to be paid to an attorney's client
11 as a result of a settlement or money judgment.

12 (2) In a claim or action filed under this chapter for personal
13 injury or wrongful death based upon the alleged conduct of another, if
14 an attorney enters into a contingency fee agreement with his or her
15 client and if a money judgment is awarded to the attorney's client or
16 the claim or action is settled, the attorney's fee shall not exceed the
17 amounts set forth in (a) and (b) of this subsection:

18 (a) Not more than forty percent of the first five thousand dollars
19 recovered, then not more than thirty-five percent of the amount more
20 than five thousand dollars but less than twenty-five thousand dollars,
21 then not more than twenty-five percent of the amount of twenty-five
22 thousand dollars or more but less than two hundred fifty thousand
23 dollars, then not more than twenty percent of the amount of two hundred
24 fifty thousand dollars or more but less than five hundred thousand
25 dollars, and not more than ten percent of the amount of five hundred
26 thousand dollars or more.

27 (b) As an alternative to (a) of this subsection, not more than one-
28 third of the first two hundred fifty thousand dollars recovered, not
29 more than twenty percent of an amount more than two hundred fifty
30 thousand dollars but less than five hundred thousand dollars, and not

1 more than ten percent of an amount more than five hundred thousand
2 dollars.

3 (3) The fees allowed in subsection (2) of this section are computed
4 on the net sum of the recovery after deducting from the recovery the
5 properly chargeable disbursements. In computing the fee, the costs as
6 taxed by the court are part of the amount of the money judgment. In
7 the case of a recovery payable in installments, the fee is computed
8 using the present value of the future payments.

9 (4) A contingency fee agreement made by an attorney with a client
10 must be in writing and must be executed at the time the client retains
11 the attorney for the claim or action that is the basis for the
12 contingency fee agreement. An attorney who fails to comply with this
13 subsection is barred from recovering a fee in excess of the lowest fee
14 available under subsection (2) of this section, but the other
15 provisions of the contingency fee agreement remain enforceable.

16 (5) An attorney shall provide a copy of a contingency fee agreement
17 to the client at the time the contingency fee agreement is executed.
18 An attorney shall include his or her usual and customary hourly rate of
19 compensation in a contingency fee agreement.

20 (6) An attorney who enters into a contingency fee agreement that
21 violates subsection (2) of this section is barred from recovering a fee
22 in excess of the attorney's reasonable actual attorney fees based on
23 his or her usual and customary hourly rate of compensation, up to the
24 lowest amount allowed under subsection (2) of this section, but the
25 other provisions of the contingency fee agreement remain enforceable."

26 "NEW SECTION. Sec. 17. LEGISLATIVE INTENT. The legislature finds
27 that in *Sofie v. Fibreboard Corp.*, 112 Wn.2d 636 (1989), the Washington
28 state supreme court struck down the limit on noneconomic damages
29 enacted by the legislature in 1986, because the court found that the

1 statutory limitation on noneconomic damages interfered with the jury's
2 province to determine damages, and thus violated a plaintiff's
3 constitutionally protected right to trial by jury.

4 The legislature further finds that reforms in existing law for
5 actions involving fault are necessary and proper to avoid catastrophic
6 economic consequences for state and local governmental entities as well
7 as private individuals and businesses.

8 Therefore, the legislature declares that to remedy the economic
9 inequities which may arise from *Sofie*, defendants in actions involving
10 fault should be held financially liable in closer proportion to their
11 respective degree of fault. To treat them differently is unfair and
12 inequitable.

13 It is further the intent of the legislature to partially eliminate
14 causes of action based on joint and several liability as provided by
15 this act for the purpose of reducing costs associated with the civil
16 justice system."

17 "NEW SECTION. Sec. 18. JOINT AND SEVERAL LIABILITY RESTRICTIONS.
18 (1) For the purposes of this section, the term "economic damages" means
19 objectively verifiable monetary losses, including medical expenses,
20 loss of earnings, burial costs, cost of obtaining substitute domestic
21 services, loss of employment, and loss of business or employment
22 opportunities. "Economic damages" does not include subjective,
23 nonmonetary losses such as pain and suffering, mental anguish,
24 emotional distress, disability and disfigurement, inconvenience, injury
25 to reputation, humiliation, destruction of the parent-child
26 relationship, the nature and extent of an injury, loss of consortium,
27 society, companionship, support, love, affection, care, services,
28 guidance, training, instruction, and protection.

1 (2) In all actions involving fault of more than one entity, the
2 trier of fact shall determine the percentage of the total fault which
3 is attributable to every entity which caused the claimant's injuries,
4 including the claimant or person suffering personal injury, defendants,
5 third-party defendants, entities released by the claimant, entities
6 immune from liability to the claimant and entities with any other
7 individual defense against the claimant. Judgment shall be entered
8 against each defendant except those who have been released by the
9 claimant or are immune from liability to the claimant or have prevailed
10 on any other individual defense against the claimant in an amount which
11 represents that party's proportionate share of the claimant's total
12 damages. The liability of each defendant shall be several only and
13 shall not be joint except:

14 (a) A party shall be responsible for the fault of another person or
15 for payment of the proportionate share of another party where both were
16 acting in concert or when a person was acting as an agent or servant of
17 the party.

18 (b) If the trier of fact determines that the claimant or party
19 suffering bodily injury was not at fault, the defendants against whom
20 judgment is entered shall be jointly and severally liable for the sum
21 of their proportionate shares of the claimant's economic damages.

22 (3) If a defendant is jointly and severally liable under one of the
23 exceptions listed in subsection (2)(a) or (b) of this section, such
24 defendant's rights to contribution against another jointly and
25 severally liable defendant, and the effect of settlement by either such
26 defendant, shall be determined under RCW 4.22.040, 4.22.050, and
27 4.22.060."

28 "NEW SECTION. Sec. 19. CERTIFICATE OF MERIT REQUIRED. (1) The
29 claimant's attorney shall file the certificate specified in subsection

1 (2) of this section within thirty days of filing or service, whichever
2 occurs later, for any action for damages arising out of injuries
3 resulting from health care by a person regulated by a disciplinary
4 authority in the state of Washington to practice a health care
5 profession under RCW 18.130.040 or by the state board of pharmacy under
6 chapter 18.64 RCW.

7 (2) The certificate issued by the claimant's attorney shall
8 declare:

9 (a) That the attorney has reviewed the facts of the case;

10 (b) That the attorney has consulted with at least one qualified
11 expert who holds a license, certificate, or registration issued by this
12 state or another state in the same profession as that of the defendant,
13 who practices in the same specialty or subspecialty as the defendant,
14 and who the attorney reasonably believes is knowledgeable in the
15 relevant issues involved in the particular action;

16 (c) The identity of the expert and the expert's license,
17 certification, or registration;

18 (d) That the expert is willing and available to testify to
19 admissible facts or opinions; and

20 (e) That the attorney has concluded on the basis of such review and
21 consultation that there is reasonable and meritorious cause for the
22 filing of such action.

23 (3) Where a certificate is required under this section, and where
24 there are multiple defendants, the certificate or certificates must
25 state the attorney's conclusion that on the basis of review and expert
26 consultation, there is reasonable and meritorious cause for the filing
27 of such action as to each defendant.

28 (4) The provisions of this section shall not be applicable to a
29 plaintiff who is not represented by an attorney.

1 (5) Violation of this section shall be grounds for either dismissal
2 of the case or sanctions against the attorney, or both, as the court
3 deems appropriate."

4 "NEW SECTION. Sec. 20. EFFECTIVE DATE. Section 19 of this act
5 applies to all actions for damages arising out of injuries resulting
6 from health care filed on or after July 1, 1992."

7 "NEW SECTION. Sec. 21. LEGISLATIVE INTENT. The legislature finds
8 and declares that:

9 (1) The willingness of volunteer health care providers to offer
10 their services has been increasingly deterred by a perception that they
11 put personal assets at risk in the event of tort actions seeking
12 damages arising from their activities as volunteers;

13 (2) The contributions of programs, activities, and services to
14 communities is diminished and worthwhile programs, activities, and
15 services are deterred by the unwillingness of volunteer health care
16 providers to serve either as volunteers or as officers, directors, or
17 trustees of nonprofit public and private organizations;

18 (3) It is in the public interest to strike a balance between the
19 right of a person to seek redress for injury and the right of an
20 individual health care provider to freely give of his or her time and
21 energy without compensation as a volunteer in service to his or her
22 community without fear of personal liability for acts undertaken in
23 good faith absent willful or wanton conduct on the part of the
24 volunteer; and

25 (4) This chapter is intended to encourage volunteer health care
26 providers to contribute their services for the good of their
27 communities and at the same time provide a reasonable basis for redress
28 of claims which may arise relating to those services."

1 "NEW SECTION. Sec. 22. DEFINITIONS. Unless the context clearly
2 requires otherwise, the definitions in this section apply throughout
3 sections 23 and 24 of this act.

4 (1) "Volunteer" is a person regulated by a disciplinary authority
5 in the State of Washington to practice a health care profession under
6 RCW 18.130.040, or by the state board of pharmacy under chapter 18.64
7 RCW, providing health care services for a nonprofit organization, a
8 nonprofit corporation, a hospital, or a governmental entity without
9 compensation, other than reimbursement for actual expenses incurred.
10 The term includes a volunteer serving as a director, officer, trustee,
11 or direct service volunteer.

12 (2) "Nonprofit organization" is any organization that is exempt
13 from taxation pursuant to section 501(c) of the Internal Revenue Code,
14 26 U.S.C. Sec. 501(c), as amended.

15 (3) "Nonprofit corporation" is any corporation that is defined as
16 a nonprofit corporation under Title 24 RCW or that is exempt from
17 taxation pursuant to section 501(a) of the Internal Revenue Code, 26
18 U.S.C. Sec. 501(a).

19 (4) "Governmental entity" is any county, city, town, municipality,
20 school district, governmental unit, other special district, similar
21 entity, or any association, authority, board, commission, division,
22 office, officer, task force, or other agency of the state."

23 "NEW SECTION. Sec. 23. VOLUNTEER HEALTH CARE PROVIDER IMMUNITY.

24 (1) Any volunteer shall be immune from civil liability in any action on
25 the basis of any act or omission of a volunteer resulting in damage or
26 injury if:

27 (a) The volunteer was acting in good faith and within the scope of
28 the volunteer's official functions and duties for a nonprofit

1 organization, a nonprofit corporation, hospital, or a governmental
2 entity; and

3 (b) The damage or injury was not caused by willful and wanton
4 misconduct by the volunteer.

5 (2) In any suit against a nonprofit organization, nonprofit
6 corporation, or a hospital for civil damages based upon the negligent
7 act or omission of a volunteer, proof of such act or omission shall be
8 sufficient to establish the responsibility of the organization therefor
9 under the doctrine of respondeat superior, notwithstanding the immunity
10 granted to the volunteer with respect to any act or omission included
11 under subsection (1) of this section."

12 "NEW SECTION. **Sec. 24.** INJURIES ARISING FROM AUTO ACCIDENTS NOT
13 EXEMPTED. Notwithstanding section 23 of this act, a plaintiff may sue
14 and recover civil damages from a volunteer based upon a negligent act
15 or omission involving the operation of a motor vehicle during an
16 activity, except that the amount recovered from such volunteer may not
17 exceed the limits of applicable insurance coverage maintained by or on
18 behalf of such volunteer with respect to the negligent operation of a
19 motor vehicle in such circumstances."

20 "NEW SECTION. **Sec. 25.** APPLICATION. Sections 21 through 24 of
21 this act apply to all causes of action commenced on or after the
22 effective date of this section, regardless of when the cause of action
23 may have arisen. To this extent, sections 21 through 24 of this act
24 apply retroactively, but in all other respects sections 21 through 24
25 of this act apply prospectively."

1 **"PART VII - HEALTH CARE PROVIDER CONFLICT OF FINANCIAL INTEREST"**

2 "NEW SECTION. Sec. 26. LEGISLATIVE INTENT. The legislature finds
3 that there is a growing practice of health care professionals having
4 financial interest in laboratory and other services. The legislature
5 further finds that such practices may result in overutilization of
6 health care services and excessive costs to individuals, third-party
7 payers, and the health care system.

8 The legislature declares that the notification of patients and
9 third-party payers about these referral practices can make them more
10 aware of such practices and allow payers to track providers who through
11 referrals overutilize services for financial reasons."

12 **"Sec. 27.** RCW 19.68.010 and 1973 1st ex.s. c 26 s 1 are each
13 amended to read as follows:

14 It shall be unlawful for any person, firm, corporation or
15 association, whether organized as a cooperative, or for profit or
16 nonprofit, to pay, or offer to pay or allow, directly or indirectly, to
17 any person licensed by the state of Washington to engage in the
18 practice of medicine and surgery, drugless treatment in any form,
19 dentistry, or pharmacy and it shall be unlawful for such person to
20 request, receive or allow, directly or indirectly, a rebate, refund,
21 commission, unearned discount or profit by means of a credit or other
22 valuable consideration in connection with the referral of patients to
23 any person, firm, corporation or association, or in connection with the
24 furnishings of medical, surgical or dental care, diagnosis, treatment
25 or service, on the sale, rental, furnishing or supplying of clinical
26 laboratory supplies or services of any kind, drugs, medication, or
27 medical supplies, or any other goods, services or supplies prescribed
28 for medical diagnosis, care or treatment: PROVIDED, That ownership of

1 a financial interest in any firm, corporation or association which
2 furnishes any kind of clinical laboratory or other services prescribed
3 for medical, surgical, or dental diagnosis shall not be prohibited
4 under this section where (1) the referring practitioner affirmatively
5 discloses to the patient and the patient's insurer in writing, the fact
6 that such practitioner has a financial interest in such firm,
7 corporation, or association; (2) the referring practitioner provides
8 the patient with a list of effective alternative facilities, informs
9 the patient that he or she has the option to use one of the alternative
10 facilities, and assures the patient that he or she will not be treated
11 differently by the referring practitioner if the patient chooses one of
12 the alternative facilities; and (3) that such firm, corporation, or
13 association shall also notify the insurer at the time of billing for
14 said services.

15 Any person violating the provisions of this section is guilty of a
16 misdemeanor."

17 **"PART VIII - STANDARDIZED HEALTH CARE INSURANCE CLAIM FORMS"**

18 "NEW SECTION. Sec. 28. A new section is added to chapter 48.20
19 RCW to read as follows:

20 APPLICATION TO DISABILITY INSURANCE POLICIES. (1) After January 1,
21 1994, all disability insurance policies that provide coverage for

24 administration (HCFA) 1500 form, or its successor, or the uniform
25 billing (UB) 82 form, or its successor. For billing purposes, this
26 subsection does not apply to pharmacists, dentists, home health/nursing
27 services, eyeglasses, transportation, or vocational services.

1 (2) As of January 1, 1994, the forms developed under section 37 of
2 this act shall be used by providers of health care and carriers under

25 subsection does not apply to pharmacists, dentists, home health/nursing
26 services, eyeglasses, transportation, or vocational services.

1 (2) As of January 1, 1994, the forms developed under section 37 of
2 this act shall be used by providers of health care and carriers under
3 this chapter."

4 "NEW SECTION. **Sec. 31.** A new section is added to chapter 48.46
5 RCW to read as follows:

6 APPLICATION TO HEALTH MAINTENANCE AGREEMENTS. (1) After January 1,
7 1994, all health maintenance agreements that provide coverage for
8 hospital or medical expenses shall use for all billing purposes in
9 either paper or electronic format either the health care financing

27 "NEW SECTION. **Sec. 42.** APPLICABILITY AND SCOPE. This chapter
28 shall apply to any health benefit plan that provides coverage to the

2 following conditions are met:

3 (1) Any portion of the premium or benefits is paid by or on behalf
4 of the small employer;

5 (2) An eligible employee or dependent is reimbursed, whether
6 through wage adjustments or otherwise, by or on behalf of the small

9 the eligible employees or dependents as part of a plan or program for
10 the purposes of section 162, section 125, or section 106 of the United
11 States Internal Revenue Code.

12 (4)(a) Except as provided in (b) of this subsection, for the
13 purposes of this chapter, carriers that are affiliated companies or
14 that are eligible to file a consolidated tax return shall be treated as
15 one carrier and any restrictions or limitations imposed by this chapter
16 shall apply as if all health benefit plans issued to small employers in
17 Washington state by such affiliated carriers were issued by one
18 carrier.

19 (b) An affiliated carrier that is a health maintenance organization
20 having a certificate of registration under chapter 48.46 RCW may be
21 considered a separate carrier for the purposes of this chapter.

22 (c) Unless otherwise authorized by the commissioner, a small

24 with respect to health benefit plans issued to small employers in
25 Washington state if such arrangements would result in less than fifty
26 percent of the insurance obligation or risk for such health benefit
27 plans being retained by the ceding carrier."

1 "NEW SECTION. **Sec. 43.** RESTRICTIONS RELATING TO PREMIUM RATES.

2 (1) Premium rates for health benefit plans subject to this chapter
3 shall be subject to the following provisions:

4 (a) The premium rates charged during a rating period to small
5 employers with similar case characteristics for the same or similar
6 coverage, or the rates that could be charged to such employers under
7 the rating system, shall not vary from the index rate by more than
8 twenty-five percent of the index rate.

9 (b) The percentage increase in the premium rate charged to a small
10 employer for a new rating period may not exceed the sum of the
11 following:

12 (i) The percentage change in the new business premium rate measured
13 from the first day of the prior rating period to the first day of the
14 new rating period. In the case of a health benefit plan into which the
15 small employer carrier is no longer enrolling new small employers, the
16 small employer carrier shall use the percentage change in the base
17 premium rate, provided that such change does not exceed, on a
18 percentage basis, the change in the new business premium rate for the
19 most similar health benefit plan into which the small employer carrier
20 is actively enrolling new small employers;

21 (ii) Any adjustment, not to exceed fifteen percent annually and
22 adjusted pro rata for rating periods of less than one year, due to the
23 claim experience, health status, and duration of coverage of the
24 employees or dependents of the small employer as determined from the
25 small employer carrier's rate manual; and

26 (iii) Any adjustment due to change in coverage or change in the
27 case characteristics of the small employer, as determined from the
28 small employer carrier's rate manual.

29 (c) Adjustments in rates for claim experience, health status, and
30 duration of coverage shall not be charged to individual employees or

1 dependents. Any such adjustment shall be applied uniformly to the
2 rates charged for all employees and dependents of the small employer.

3 (d) A small employer carrier may utilize industry as a case
4 characteristic in establishing premium rates, provided that the highest
5 rate factor associated with any industry classification shall not
6 exceed the lowest rate factor associated with any industry
7 classification by more than fifteen percent.

8 (e) In the case of health benefit plans issued prior to the
9 effective date of this act, a premium rate for a rating period may
10 exceed the ranges set forth in (a) of this subsection for a period of
11 three years following the effective date of this act. In such cases,
12 the percentage increase in the premium rate charged to a small employer
13 for a new rating period shall not exceed the sum of the following:

14 (i) The percentage change in the new business premium rate measured
15 from the first day of the prior rating period to the first day of the
16 new rating period. In the case of a health benefit plan into which the
17 small employer carrier is no longer enrolling new small employers, the
18 small employer carrier shall use the percentage change in the base
19 premium rate, provided that such change does not exceed, on a
20 percentage basis, the change in the new business premium rate for the
21 most similar health benefit plan into which the small employer carrier
22 is actively enrolling new small employers;

23 (ii) Any adjustment due to change in coverage or change in the case
24 characteristics of the small employer, as determined from the small
25 employer carrier's rate manual.

26 (f)(i) Small employer carriers shall apply rating factors,
27 including case characteristics, consistently with respect to all small
28 employers. Rating factors shall produce premiums for identical groups
29 that differ only by amounts attributable to plan design and do not

1 reflect differences due to the nature of the groups assumed to select
2 particular health benefit plans.

3 (ii) A small employer carrier shall treat all health benefit plans
4 issued or renewed in the same calendar month as having the same rating
5 period.

6 (g) For the purposes of this subsection, a health benefit plan that
7 utilizes a restricted provider network shall not be considered similar
8 coverage to a health benefit plan that does not utilize such a network,
9 provided that utilization of the restricted provider network results in
10 substantial differences in claims costs.

11 (h) A small employer carrier shall not use case characteristics
12 other than age, gender, industry, geographic area, family composition,
13 and group size without prior approval of the commissioner.

14 (i) The commissioner may establish regulations to implement the
15 provisions of this section and to assure that rating practices used by
16 small employer carriers are consistent with the purposes of this
17 chapter, including:

18 (i) Assuring that differences in rates charged for health benefit
19 plans by small employer carriers are reasonable and reflect objective
20 differences in plan design, not including differences due to the nature
21 of the groups assumed to select particular health benefit plans; and

22 (ii) Prescribing the manner in which case characteristics may be
23 used by small employer carriers.

24 (2) A small employer carrier shall not transfer a small employer
25 involuntarily into or out of a health benefit plan. A small employer
26 carrier shall not offer to transfer a small employer into or out of a
27 health benefit plan unless such offer is made to transfer all small
28 employers with the same health benefit plan without regard to case
29 characteristics, claim experience, health status, or duration of
30 coverage.

1 (3) The commissioner may suspend for a specified period the
2 application of subsection (1)(a) of this section as to the premium
3 rates applicable to one or more small employers of a small employer
4 carrier for one or more rating periods upon a finding by the small
5 employer carrier and a finding by the commissioner either that the
6 suspension is reasonable in light of the financial condition of the
7 small employer carrier or that the suspension would enhance the
8 efficiency and fairness of the marketplace for small employer health
9 insurance.

10 (4) In connection with the offering for sale of any health benefit
11 plan to a small employer, a small employer carrier shall make a
12 reasonable disclosure, as part of its solicitation and sales materials,
13 of all of the following:

14 (a) The extent to which premium rates for a specified small
15 employer are established or adjusted based upon the actual or expected
16 variation in claims costs or actual or expected variation in health
17 status of the employees of the small employer and their dependents;

18 (b) The provisions of the health benefit plan concerning the small
19 employer carrier's right to change premium rates and factors, other
20 than claim experience, that affect changes in premium rates;

21 (c) The provision relating to renewability of policies and
22 contracts; and

23 (d) The provisions relating to any preexisting condition.

24 (5)(a) Each small employer carrier shall maintain at its principal
25 place of business a complete and detailed description of its rating
26 practices and renewal underwriting practices, including information and
27 documentation that demonstrate that its rating methods and practices
28 are based upon commonly accepted actuarial assumptions and are in
29 accordance with sound actuarial principles.

1 (b) Each small employer carrier shall file with the commissioner
2 annually on or before March 15 an actuarial certification certifying
3 that the carrier is in compliance with this chapter and that the rating
4 methods of the small employer carrier are actuarially sound. Such
5 certification shall be in a form and manner, and shall contain such
6 information, as specified by the commissioner. A copy of the
7 certification shall be retained by the small employer carrier at its
8 principal place of business.

9 (c) A small employer carrier shall make the information and
10 documentation described in (a) of this subsection available to the
11 commissioner upon request. Except in cases of violations of this
12 chapter, the information shall be considered proprietary and trade
13 secret information and shall not be subject to disclosure by the
14 commissioner to persons outside of the office except as agreed to by
15 the small employer carrier or as ordered by a court of competent
16 jurisdiction."

17 "NEW SECTION. Sec. 44. RENEWABILITY OF COVERAGE. (1) A health
18 benefit plan subject to this chapter shall be renewable with respect to
19 all eligible employees and dependents, at the option of the small
20 employer, except in any of the following cases:

21 (a) Nonpayment of required premiums;

22 (b) Fraud or misrepresentation by the small employer or, with
23 respect to coverage of individual insureds, the insureds or their
24 representatives;

25 (c) Noncompliance with the carrier's minimum participation
26 requirements;

27 (d) Noncompliance with the carrier's employer contribution
28 requirements;

29 (e) Repeated misuse of a provider network provision;

1 (f) The small employer carrier elects to not renew all of its
2 health benefit plans issued to small employers in Washington state. In
3 such a case the carrier shall:

4 (i) Provide advance notice of its decision under this subsection
5 (1)(f)(i) to the commissioner; and

6 (ii) Provide notice of the decision not to renew coverage to all
7 affected small employers and to the commissioner in each state in which
8 an affected covered individual is known to reside at least one hundred
9 eighty days prior to the nonrenewal of any health benefit plan by the
10 carrier. Notice to the commissioner under this subsection (1)(f)(ii)
11 shall be provided at least three working days prior to the notice to
12 the affected small employers; or

13 (g) The commissioner finds that the continuation of the coverage
14 would:

15 (i) Not be in the best interests of the policyholders or
16 certificate holders; or

17 (ii) Impair the carrier's ability to meet its contractual
18 obligations.

19 In such instance the commissioner shall assist affected small
20 employers in finding replacement coverage.

21 (2) A small employer carrier that elects not to renew a health
22 benefit plan under subsection (1)(f) of this section shall be
23 prohibited from writing new business in the small employer market in
24 Washington state for a period of five years from the date of notice to
25 the commissioner.

26 (3) In the case of a small employer carrier doing business in one
27 established geographic service area of the state, the rules set forth
28 in this section shall apply only to the carrier's operations in such
29 service area."

1 "NEW SECTION. **Sec. 45.** GENERAL SMALL EMPLOYER CARRIER

2 REQUIREMENTS. (1) A health benefit plan covering small employers shall
3 comply with the following provisions:

4 (a) A small employer carrier shall file with the commissioner, in
5 a form and manner prescribed by the commissioner, the basic health
6 benefit plans to be used by the carrier. A health benefit plan filed
7 pursuant to this subsection (1)(a) may be used by a small employer
8 carrier beginning thirty days after it is filed unless the commissioner
9 disapproves its use.

10 (b) A health benefit plan shall not deny, exclude, or limit
11 benefits for a covered individual for losses incurred more than six
12 months following the effective date of the individual's coverage due to
13 a preexisting condition. A health benefit plan shall not define a
14 preexisting condition more restrictively than:

15 (i) A condition that would have caused an ordinarily prudent person
16 to seek medical advice, diagnosis, care, or treatment during the six
17 months immediately preceding the effective date of coverage;

18 (ii) A condition for which medical advice, diagnosis, care, or
19 treatment was recommended or received during the six months immediately
20 preceding the effective date of coverage; or

21 (iii) A pregnancy existing on the effective date of coverage.

22 (c) A health benefit plan shall waive any time period applicable to
23 a preexisting condition exclusion or limitation period with respect to
24 particular services for the period of time an individual was previously
25 covered by qualifying previous coverage that provided benefits with
26 respect to such services, provided that the qualifying previous
27 coverage was continuous to a date not less than thirty days prior to
28 the effective date of the new coverage. This subsection (1)(c) does
29 not preclude application of any waiting period applicable to all new
30 enrollees under the health benefit plan.

1 (d) A health benefit plan may exclude coverage for late enrollees
2 for the greater of twelve months or for a twelve-month preexisting
3 condition exclusion, provided that if both a period of exclusion from
4 coverage and a preexisting condition exclusion are applicable to a late
5 enrollee, the combined period shall not exceed twelve months from the
6 date the individual enrolls for coverage under the health benefit plan.

7 (e)(i) Except as provided in (iv) of this subsection (1)(e),
8 requirements used by a small employer carrier in determining whether to
9 provide coverage to a small employer, including requirements for
10 minimum participation of eligible employees and minimum employer
11 contributions, shall be applied uniformly among all small employers
12 with the same number of eligible employees applying for coverage or
13 receiving coverage from the small employer carrier.

14 (ii) A small employer carrier may vary application of minimum
15 participation requirements and minimum employer contribution
16 requirements only by the size of the small employer group.

17 (iii)(A) Except as provided in (iii)(B) of this subsection (1)(e),
18 in applying minimum participation requirements with respect to a small
19 employer, a small employer carrier shall not consider employees or
20 dependents who have qualifying existing coverage in determining whether
21 the applicable percentage of participation is met.

22 (B) With respect to a small employer with ten or fewer eligible
23 employees, a small employer carrier may consider employees or
24 dependents who have coverage under another health benefit plan
25 sponsored by such small employer in applying minimum participation
26 requirements.

27 (iv) A small employer carrier shall not increase any requirement
28 for minimum employee participation or any requirement for minimum
29 employer contribution applicable to a small employer at any time after
30 the small employer has been accepted for coverage.

1 (f)(i) If a small employer carrier offers coverage to a small
2 employer, the small employer carrier shall offer coverage to all of the
3 eligible employees of the small employer and their dependents. A small
4 employer carrier shall not offer coverage to only certain individuals
5 in a small employer group or to only part of the group, except in the
6 case of late enrollees as provided in (e) of this subsection.

7 (ii) A small employer carrier shall not modify a basic health
8 benefit plan with respect to a small employer or any eligible employee
9 or dependent through riders, endorsements, or otherwise, to restrict or
10 exclude coverage for certain diseases or medical conditions otherwise
11 covered by the basic health benefit plan.

12 (2)(a) Every small employer carrier shall, as a condition of
13 transacting business in Washington state with small employers, actively
14 offer to small employers at least a basic health benefit plan.

15 (b)(i) A small employer carrier shall issue at least a basic health
16 benefit plan to any eligible small employer that applies to such a plan
17 and agrees to make the required premium payments and to satisfy the
18 other reasonable provisions of the health benefit plan not inconsistent
19 with this chapter.

20 (ii) An allocating small employer carrier shall issue at least the
21 basic health benefit plan or an approved minimum benefit plan to any
22 eligible small employer that applies to such a plan and agrees to make
23 the required premium payments and to satisfy the other reasonable
24 provisions of the health benefit plan not inconsistent with this
25 chapter, until the carrier's allotment of high-risk individuals has
26 been met under section 46 of this act.

27 (c) A small employer is eligible under subsection (2)(b) of this
28 section if it employed at least three unrelated eligible employees
29 within Washington state on at least fifty percent of its working days
30 during the preceding calendar quarter.

1 (d) For purposes of establishing continued small employer
2 eligibility under this chapter, a small employer carrier may reassess
3 the size of the covered employer on the anniversary date of the
4 employer's policy. Coverage under this chapter may be discontinued if
5 the small employer no longer meets the size requirements provided for
6 in this chapter. However, if a small employer falls below the minimum
7 size, coverage must be continued for a period of at least one year
8 before the small employer carrier can discontinue coverage under this
9 chapter, provided that the small employer continues to fall below the
10 minimum group size requirements of this chapter.

11 (e) The provisions of this subsection shall be effective one
12 hundred eighty days after the commissioner's approval of the basic
13 health benefit plan developed under section 47 of this act, provided
14 that if the small employer allocation program created under section 46
15 of this act is not yet in operation on such date, the provisions of
16 this subsection shall be effective on the date that such program begins
17 operation."

18 "NEW SECTION. Sec. 46. SMALL EMPLOYER ALLOCATION PROGRAM. (1)
19 All small employer carriers issuing health benefit plans in this state
20 on and after the effective date of this act shall be required to meet
21 the requirements of this section as a condition of authority to
22 transact business in Washington state.

23 (2) There is created a nonprofit entity to be known as the
24 Washington small employer allocation program. All small employer
25 carriers issuing health benefit plans in Washington state on and after
26 the effective date of this act shall be allocating carriers in the
27 program.

1 (3) The program shall operate subject to the supervision and
2 control of the board of the Washington health insurance pool, as
3 established by chapter 48.41 RCW.

4 (4) Within sixty days of the effective date of this act, each small
5 employer carrier shall make a filing with the commissioner containing
6 the carrier's net health insurance premium derived from health benefit
7 plans issued to small employers in this state in the previous calendar
8 year.

9 (5) Within one hundred eighty days after the appointment of the
10 initial board, the board shall submit to the commissioner a plan of
11 operation and thereafter any amendments thereto necessary or suitable,
12 to assure the fair, reasonable, and equitable administration of the
13 program. The commissioner may, after notice and hearing, approve the
14 plan of operation if the commissioner determines that it is required to
15 assure the fair, reasonable, and equitable administration of the
16 program and provides for the sharing of program gains or losses on an
17 equitable and proportionate basis in accordance with the provisions of
18 this section. The plan of operation shall become effective upon
19 approval in writing by the commissioner.

20 (6) If the board fails to submit a suitable plan of operation
21 within one hundred eighty days after its appointment, the commissioner
22 shall, after notice and hearing, adopt a temporary plan of operation.
23 The commissioner shall amend or rescind any plan adopted under this
24 section at the time a plan of operation is submitted by the board and
25 approved by the commissioner.

26 (7) The plan of operation shall:

27 (a) Establish procedures for handling and accounting of program
28 assets and moneys and for an annual fiscal reporting to the
29 commissioner;

1 (b) Establish procedures for selecting an administering carrier and
2 setting forth the powers and duties of the administering carrier;

3 (c) Establish procedures for assigning allotments of high-risk
4 individuals and small employers among small employer carriers in
5 accordance with the provisions of this chapter;

6 (d) Establish procedures for collecting assessments from all
7 members subject to assessment to provide for administrative expenses
8 incurred or estimated to be incurred for the period for which the
9 assessment is made; and

10 (e) Provide for any additional matters necessary for the
11 implementation and administration of the program.

12 (8) The program shall have the general powers and authority granted
13 under the laws of Washington state to insurance companies, health care
14 service contractors, and health maintenance organizations licensed to
15 transact business, except the power to issue health benefit plans
16 directly to either groups or individuals. In addition thereto, the
17 program shall have the specific authority to:

18 (a) Enter into contracts as are necessary or proper to carry out
19 the provisions and purposes of this section, including the authority,
20 with the approval of the commissioner, to enter into contracts with
21 similar programs of other states for the point performance of common
22 functions or with persons or other organizations for the performance of
23 administrative functions;

24 (b) Sue or be sued, including taking any legal actions necessary or
25 proper for recovering any assessments and penalties for, on behalf of,
26 or against the program or any allocating carriers;

27 (c) Establish rules, conditions, and procedures pertaining to its
28 functions under this chapter;

29 (d) Assess allocating carriers in accordance with the provisions of
30 subsection (12) of this section, and to make interim assessment as may

1 be reasonable and necessary for organizational and interim operating
2 expenses. Any interim assessments shall be credited as offsets against
3 any regular assessments due following the close of the fiscal year;

4 (e) Appoint appropriate legal, actuarial, and other committees as
5 necessary to provide technical assistance in the operation of the
6 program, policy and other contract design, and any other function
7 within the authority of the program;

8 (f) Borrow money to effect the purposes of the program. Any notes
9 or other evidence of indebtedness of the program not in default shall
10 be legal investments for carriers and may be carried as admitted
11 assets;

12 (g) Perform other functions necessary and proper to carry out its
13 responsibilities under this chapter.

14 (9) The board shall establish procedures, as part of the plan of
15 operation, for determining allotments of high-risk individuals and
16 small employers among all allocating carriers. Such procedures shall
17 be designed to assure a fair allocation of risks among allocating small
18 employer carriers. The procedures shall include the following:

19 (a) A method by which the board shall estimate each year the total
20 number of high-risk individuals in small employer groups that will be
21 identified and used for determining carrier allotments under this
22 subsection during the year. The board shall develop a uniform
23 definition of a high-risk individual based on standardized medical
24 underwriting criteria for purposes of this section.

25 (b) A method by which the program shall assign to each small
26 employer carrier a target number of high-risk individuals. The target
27 number for a small employer carrier shall bear the same proportional
28 relationship to the total number of high-risk individuals estimated
29 under (a) of this subsection as the small employer carrier's annual net
30 premiums for coverage of small employers bears to the annual net

1 premiums of all small employer carriers for coverage of small
2 employers. In the case of a small employer carrier with an established
3 geographic services area, the board may adjust the target number of
4 high-risk individuals to account for the carrier's increased or
5 decreased exposure resulting from the allocation.

6 (c) A procedure by which the program shall determine the number of
7 high-risk eligible employees and dependents of each small employer that
8 constitutes the carrier's allotment of high-risk individuals and small
9 employers.

10 (d) A procedure by which small employers that are identified as
11 high risk may select an allocating carrier from a list in the program.
12 The procedure shall provide for the small employer to be allocated to
13 choose among allocating carriers unless, as a result of the addition of
14 the small employer, the carrier's target number determined under (b) of
15 this subsection would be exceeded. A small employer that is rejected
16 by the carrier that it initially selects shall make selections from a
17 list of allocating carriers that have not yet met their allotments of
18 high-risk individuals and small employers.

19 (e) A procedure by which the board shall determine, as for each
20 calendar year, the extent to which the average claims costs incurred by
21 a small employer carrier for providing coverage to high-risk
22 individuals, whether allocated or identified in that year or any
23 preceding year, is greater or less than the average claims cost
24 incurred by small employer carriers for providing coverage to all high-
25 risk individuals, whether allocated in that calendar year or any
26 preceding year, that have been allocated or identified under the
27 program.

28 (i) The procedure shall provide for the board to adjust the target
29 number for a small employer carrier for the subsequent year if the
30 average claims cost incurred by such carrier from providing coverage to

1 high-risk individuals is either more or less, by at least the
2 applicable percentage determined in (e)(ii) of this subsection, than
3 the average claims cost for all high-risk individuals allocated under
4 the program.

5 (ii) The procedure shall provide for the board to determine a
6 percentage amount for the purpose of (e)(i) of this subsection. In
7 determining such percentage, the board shall balance the following
8 objectives:

9 (A) Achieving an equitable distribution among small employer
10 carriers of the claims costs of high-risk individuals;

11 (B) Efficient administration of the program; and

12 (C) Providing incentive for small employer carriers to manage the
13 care of high-risk individuals allotted under the program.

14 (10) The board shall periodically evaluate the program to assure
15 equity in the distribution of allotted small employers. The board,
16 subject to the approval of the commissioner, shall have the authority
17 to make adjustments to the procedures established pursuant to this
18 subsection to further the goal of equitable distribution of allocated
19 small employers.

20 (11) A small employer carrier shall not be required to accept small
21 employers that are not located within their established geographic
22 service area or areas.

23 (12)(a) Following the close of each fiscal year, the administering
24 carrier shall determine the program expenses of the administration.
25 The net expense for the year shall be recouped by assessment on the
26 allocating carriers. The administering carrier also shall determine
27 the claims expense for allocated small employers for each small
28 employer carrier for the basic health benefit plan, on an annual basis,
29 using information collected from carriers under subsection (15) of this
30 section.

1 (b) Assessments to cover the administrative expenses of the program
2 shall be apportioned by the board among allocating carriers in
3 proportion to their respective shares of the total premiums earned from
4 health benefit plans issued to small employers in Washington state by
5 all allocating carriers during the calendar year coinciding with or
6 ending during the fiscal year of the program. Premiums earned by
7 allocating carriers that are less than an amount determined by the
8 board to justify the cost of assessment collection shall not be
9 considered for purposes of determining assessments.

10 (c) Each allocating carrier's assessment shall be determined
11 annually by the board based on annual statements and other reports
12 deemed necessary by the board and filed by the allocating carrier with
13 board.

14 (d) The plan of operation shall provide for the imposition of an
15 interest penalty for late payment of assessments.

16 (e) An allocating carrier may seek from the commissioner a
17 deferment from all or part of its assessment if payment of the
18 assessment would place the allocating carrier in a financially impaired
19 condition. The commissioner shall make such a determination and allow
20 all or part of the assessment deferral. If all or part of an
21 assessment against an allocating carrier is deferred, the amount
22 deferred shall be assessed against the other allocating carriers in a
23 manner set forth in this subsection. The allocating carrier receiving
24 the deferment shall remain liable to the program for the amount
25 deferred.

26 (13) Except as provided in subsection (11) of this section,
27 allocating carriers shall accept application from all small employers
28 until their allotments for high-risk individuals are met, as determined
29 by the board pursuant to subsection (9) of this section. The
30 allocating carrier shall offer all small employers a benefit plan that

1 at least offers the benefits contained in the basic health benefit
2 plan. An allocating carrier may also offer to small employers coverage
3 that is more comprehensive than that required by this chapter.

4 (14) An allocating carrier shall not be required to provide
5 coverage to small employers under this section for any period of time
6 for which the commissioner determines that the participation in the
7 program could place the small employer carrier in a financially
8 impaired condition. In such instances, such small employer carriers
9 will be prohibited from accepting application from any small employer
10 until the commissioner determines that the carrier can accept small
11 employers allocated from the program.

12 (15) Each allocating carrier shall file with the commissioner, in
13 a form and manner to be prescribed by the commissioner, an annual
14 report. The report shall state the small employer carrier's net
15 premium for new small employer coverage written in the previous twelve-
16 month period. The report also shall state the number of small
17 employers with high-risk individuals that meet the standard
18 underwriting criteria for high-risk individuals, the claims expenses
19 for these high-risk individuals, the names and number of the small
20 employers that canceled or terminated coverage with it during the
21 preceding calendar year, and the reasons for such cancellations or
22 terminations, if known. The report shall be filed on or before March
23 1 for the preceding calendar year. A copy of the report shall be
24 provided to the board.

25 (16) Neither the participation in the program, the establishment of
26 procedures, nor any other joint or collective action required by this
27 chapter shall be the basis of any legal action, criminal or civil
28 liability, or penalty against the program or any allocating carrier
29 either jointly or separately.

30 (17) The program shall be exempt from any and all taxes.

1 (18) The board, as part of the plan of operation, shall develop
2 standards setting forth the manner and levels of compensation to be
3 paid to producers for the sale of basic health benefit plans. In
4 establishing such standards, the board shall take into consideration:
5 The need to assure the broad availability of coverages, the objectives
6 of the program, the time and effort expended in placing the coverage,
7 the need to provide ongoing service to the small employer, the levels
8 of compensations currently used in the industry, and the overall costs
9 of coverage to small employers selecting these plans."

10 "NEW SECTION. Sec. 47. HEALTH BENEFIT PLAN COMMITTEE. (1) The
11 commissioner shall appoint a health benefit plan committee. The
12 committee shall be composed of representatives from small employer
13 carriers, including insurance companies, health care service
14 contractors, health maintenance organizations, other carriers, small
15 employers, employees, health care providers, and producers.

16 (2) The committee shall recommend the form and level of coverage to
17 be made available by small employer carriers under sections 45 and 46
18 of this act.

19 (3)(a) The committee shall recommend benefit levels, cost sharing
20 levels, exclusions, and limitations for the basic health benefit plan.
21 The committee shall also design a basic health benefit plan that
22 contains benefit and cost sharing levels that are consistent with the
23 basic method of operation and benefits of health maintenance
24 organizations, including any restrictions imposed by federal law.

25 (b) The committee shall submit the health benefit plan described in
26 (a) of this subsection to the commissioner for approval within one
27 hundred eighty days after the appointment of the committee.

28 (c)(i) A small employer carrier shall file with the commissioner,
29 in a format and manner prescribed by the commissioner, the basic health

1 benefit plan to be used by the carrier. A health benefit plan filed
2 pursuant to this subsection (3)(c)(i) may be used by a small employer
3 carrier beginning thirty days after it is filed unless the commissioner
4 disapproves its use.

5 (ii) The commissioner at any time may, after providing written
6 notice and an opportunity for a hearing to the small employer carrier,
7 disapprove the continued use by a small employer carrier of a basic
8 health benefit plan on the grounds that the plan does not meet the
9 requirements of this subsection."

10 "NEW SECTION. **Sec. 48.** PERIODIC MARKET EVALUATION. (1) The
11 board, in consultation with members of the committee, shall study and
12 report at least every three years to the commissioner on the
13 effectiveness of this chapter. The report shall analyze the
14 effectiveness of the chapter in promoting rate stability, product
15 availability, and coverage affordability. The report may contain
16 recommendations for actions to improve the overall effectiveness,
17 efficiency, and fairness of the small group health insurance market
18 place. The report shall address whether carriers and producers are
19 fairly and actively marketing and issuing health benefit plans to small
20 employers in fulfillment of the purposes of this chapter. The report
21 may contain recommendations for market conduct or other regulatory
22 standards or actions.

23 (2) The board shall commission an actuarial study, by an
24 independent actuary approved by the commissioner, within the first
25 three years of the operation of the program to evaluate and measure the
26 relative risks being assumed by differing types of small employer
27 carriers as a result of this chapter."

1 "NEW SECTION. **Sec. 49.** WAIVER OF CERTAIN STATE LAWS. No law
2 requiring the coverage of a health care service or benefit, or
3 requiring the reimbursement, utilization, or inclusion of a specific
4 category of licensed health care practitioner, shall apply to a basic
5 health benefit plan issued pursuant to this chapter."

6 "NEW SECTION. **Sec. 50.** ADMINISTRATIVE PROCEDURES. The
7 commissioner may issue rules to implement this chapter."

8 "NEW SECTION. **Sec. 51.** STANDARDS TO ASSURE FAIR MARKETING. (1)
9 An allocating small employer carrier that denies coverage to a small
10 employer on the basis of standard medical underwriting criteria
11 established by the board of the program as applied to the small
12 employer's employees or dependents shall provide notice to the small
13 employer, in a form and manner prescribed by the commissioner, of the
14 potential availability of coverage through the allocation program.

15 (2) A small employer carrier shall provide reasonable compensation,
16 as provided under the plan of operation of the program, to a producer,
17 if any, for placing small employers with the small employer carrier
18 through the program.

19 (3) No small employer carrier shall terminate, fail to renew, or
20 limit its contract or agreement of representation with a producer
21 because the producer has placed small employers with the small employer
22 carrier.

23 (4) No small employer carrier or producer shall induce or otherwise
24 encourage a small employer to separate or otherwise exclude an employee
25 from health coverage or benefits provided in connection with the
26 employee's employment.

27 (5) Denial by an allocating small employer carrier of an
28 application for coverage from a small employer shall be consistent with

1 the provisions of section 46 of this act, shall be in writing, and
2 shall state the reason or reasons for the denial.

3 (6) The commissioner may adopt by rule additional standards to
4 provide for the availability of health benefit plans to small employers
5 through the program.

6 (7)(a) A violation of this section by a small employer carrier or
7 producer shall be an unfair trade practice under chapter 48.30 RCW.

8 (b) If a small employer carrier enters into a contract, agreement,
9 or other arrangement with a third-party administrator to provide
10 administrative, marketing, or the other services related to the
11 offering of health benefit plans to small employers in Washington
12 state, the third-party administrator shall be subject to this section
13 as if it were a small employer carrier."

14 "NEW SECTION. **Sec. 52.** APPLICATION OF CHAPTER TO CHAPTERS 48.20,
15 48.21, AND 48.44 RCW. This chapter applies to carriers regulated under
16 chapters 48.21, 48.44, and 48.46 RCW."

11 "NEW SECTION. **Sec. 60.** NULL AND VOID PROVISIONS. If specific
12 funding for the purpose of sections 10 through 14 of this act,
