Majority Report: *The substitute bill be substituted therefor and the substitute bill do pass.* Signed by 24 members: Representatives R. Fisher, Chair; R. Staff: Brad Lovaas (786-7307).

Background: During the 1991 session the Legislature enacted a formula that would associate the number of dealer plates with the number of vehicles sold by a specific dealer. The new restrictions prohibited any vehicle dealer selling less than five vehicles a year from obtaining dealer plates. The intent of the legislation was to curb dealer plate abuses.

In 1990 a statute was enacted authorizing a full 12 month vehicle registration license period.

When a county authorizes collection of the \$15 local option vehicle registration fee, it may provide for a refund process for those eligible.

Summary of Bill: When the director of the Department of Licensing (DOL) notifies a person of a cancellation of a vehicle title, the notification shall be sent by regular mail service. An affidavit of mail service shall be attached to a copy of the cancellation notice and retained by the department.

The director may waive by rule dealer plate issuance restrictions, if the waiver is in accordance with the purposes of the chapter and is essential to the continuation of the business.

A change is made to the 12 month vehicle registration statute that allows the new owner of a vehicle which has an expired license a full 12 month registration period.

The current refund process which is authorized under the local option vehicle registration fee statute is changed to an exemption process.

Fiscal Note: Available.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: The change from certified mail to regular mail with an affidavit will save money. The provisions dealing with expired licenses will allow people to get a full 12-month registration. DOL's rule-making authority will allow DOL to enforce the dealer plate abuse laws and still allow small dealers to retain dealer plates.

Testimony Against: Denial of dealer plates to small dealers is discriminatory.

Witnesses: Nancy Kelly, Department of Licensing (pro); and Jim Harkey, dealer (con).
