**HOUSE COMMITTEE ON  
LOCAL GOVERNMENT**

**Majority Report:** *Do pass as amended.* Signed by 15 members: Representatives Haugen, Chair; Cooper, Vice Chair; Ferguson, Ranking Minority Member; Mitchell, Assistant Ranking Minority Member; Bray; Edmondson; Franklin; Horn; Nealey; Nelson; Rayburn; Roland; Wood; Wynne; and Zellinsky.

**Staff:** Steve Lundin (786-7127).

**Background:** Public hospital districts are authorized to provide a variety of health related facilities and services.

**Summary of Amended Bill:** Public hospital districts are authorized to employ chaplains for their hospitals, health care facilities, and hospice programs.

This authorization is effective only if a constitutional amendment is approved authorizing the Legislature to permit hospital districts to employ chaplains.

**Amended Bill Compared to Original Bill:** A one sentence, new section authorizes public hospital districts to hire chaplains, rather than adding two words to a six page long section of law.

A section is added providing an effective date of January 1, 1991, if a constitutional amendment is approved authorizing hospital districts to employ chaplains.

**Fiscal Note:** Not requested.

**Effective Date of Amended Bill:** Immediately after the constitutional amendment is approved authorizing the Legislature to permit hospital districts to employ chaplains.

**Testimony For:** The auditor indicates that the constitution precludes hospital districts from employing chaplains. Chaplains can play an essential role in both the healing process and dying.

**Testimony Against:** None.

**Witnesses:** (Pro): Greg Vigdor, Washington State Hospital Association; and Hack Yador, Pierce County Sheriffs Department.
