**Testimony For:** This bill recognizes the support Guard members provide to the state and to the nation. It is an

award and recognition for the Guard's efforts in war and in peacetime. The Reserve and the Guard are good investments. January 26 marks the day the Guard was established as a state militia. A recognition day is a way to honor and thank Guard members for their time and effort. It is important to maintain the strength of the Guard; a big thank-you like this may encourage Guard members to stay in service.

***Testimony Against:*** None.

***Witnesses:*** Senator Thorsness; Maureen Flak, National Guard Association; and Kevin Ryan, Military Department (all in favor).
