HOUSE COMMITTEE ON HUMAN SERVICES

Majority Report: Do pass. Signed by 9 members: Representatives Leonard, Chair; Riley, Vice Chair; Winsley, Ranking Minority Member; Tate, Assistant Ranking Minority Member; Beck; Hargrove; Hochstatter; R. King; and H. Myers.

Staff: David Knutson (786-7146).

Background: The number of senior citizens is expected to grow dramatically over the next 20 years. Seniors who have spent a lifetime acquiring professional, occupational, and life skills, are a valuable resource for society. Current state programs for senior volunteers do not have a statutory framework for distributing funds to retired senior volunteer programs.

Summary of Bill: The Department of Community Development will distribute appropriated funds to retired senior volunteer programs according to the following formula: 65 percent according to criteria determined by the department, up to 20 percent by competitive grant to establish new or expand existing programs, 10 percent for administration, and up to 5 percent for state-wide projects. Priorities for funds include: education, tutoring, English as a second language, drug abuse prevention, housing and homelessness, and respite care.
