1 AN ACT Relating to environmental interpretation in Washington's
2 state parks; adding new sections to chapter 43.51 RCW; and creating a
3 new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that the lands owned
6 and managed by the state parks and recreation commission are a
7 significant collection of valuable natural, historical, and cultural
8 resources for the citizens of Washington state. The legislature
9 further finds that if citizens understand and appreciate the state park

1 facilities and resources to provide environmental interpretation
2 throughout the state parks system.

3 NEW SECTION. **Sec. 2.** The state parks and recreation commission
4 may provide environmental interpretative activities for visitors to
5 state parks that:

6 (1) Explain the functions, history, and cultural aspects of
7 ecosystems;

8 (2) Explain the relationship between human needs, human behaviors,
9 and attitudes and the environment; and

10 (3) Offer experiences and information to increase citizen
11 appreciation and stewardship of the environment and its multiple uses.

12 NEW SECTION. **Sec. 3.** The state parks and recreation commission
13 may consult and enter into agreements with and solicit assistance from
14 private sector organizations and other governmental agencies that are
15 interested in conserving and interpreting Washington's environment.

17 to chapter 43.51 RCW.
