
HOUSE BILL 1456

State of Washington 52nd Legislature 1991 Regular Session

By Representatives Haugen, Wilson, Zellinsky, Spanel, R. Fisher, Rasmussen, Orr and R. Johnson.

Read first time January 30, 1991. Referred to Committee on Transportation.

1 AN ACT Relating to hulk haulers and scrap processors; and adding a
2 new section to chapter 46.79 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 46.79 RCW
5 to read as follows:

6 It is the intent of the legislature to license and regulate hulk
7 haulers and scrap processors for the purpose of discouraging a market
8 in stolen vehicles and vehicle components. The legislature further
9 recognizes that hulk haulers and scrap processors provide an important
10 link in the state's solid waste management system by reusing and
11 recycling a significant volume of materials that would otherwise be
12 disposed of. It is further the intent of the legislature that this
13 chapter be enforced in a manner that will not unduly impede the reuse
14 and recycling of vehicles and vehicle components.
