1 (3) Judicial review of certification decisions shall be as  
2 prescribed under RCW 34.05.510 through 34.05.598, but shall be limited  
3 to the review of board decisions denying certification.

4 NEW SECTION. **Sec. 8.** An election review section is  
5 established in the elections division of the office of the secretary of  
6 state. Permanent staff of the elections division, trained and  
7 certified as required by section 6 of this act, shall perform the  
8 election review functions prescribed by section 9 of this act. The  
9 staff may also be required to assist in training, certification, and  
10 other duties as may be assigned by the secretary of state to ensure the  
11 uniform and orderly conduct of elections in this state.

12 NEW SECTION. **Sec. 9.** (1)(a) The election review staff of the  
13 office of the secretary of state shall conduct a review of election-  
14 related policies, procedures, and practices in an affected county or

20 in a state-wide election or an election for federal office.

21 Reviews conducted under (ii) of this subsection shall be performed

26 (b) In addition to conducting reviews under (a) of this subsection,  
27 the election review staff shall also conduct such a review in a county

6 affected county and the chair of the state central committee of each  
7 major political party with notice that the review is to be conducted.  
8 When a periodic review is to be conducted in a county at the direction  
9 of the secretary of state under (b) of this subsection, the secretary  
10 shall provide the affected county auditor not less than thirty days'  
11 notice.

12 (2) Reviews shall be conducted in conformance with rules adopted  
13 under section 4 of this act. In performing a review in a county under

18 the members of the county canvassing board a report of its findings and  
19 recommendations regarding such policies, procedures, and practices. A  
20 review conducted under this chapter shall not include any evaluation,

5 fully during an election review by making available to the reviewing  
6 staff any material requested by the staff. The reviewing staff shall  
7 have full access to ballot pages, absentee voting materials, any other  
8 election material normally kept in a secure environment after the  
9 election, and other requested material. If ballots are reviewed by the  
10 staff, they shall be reviewed in the presence of the canvassing board  
11 or its designees. Ballots shall not leave the custody of the  
12 canvassing board. During the review and after its completion, the  
13 review staff may make appropriate recommendations to the county auditor  
14 or canvassing board, or both, to bring the county into compliance with  
15 the training required under this chapter, and the laws or rules of the  
16 state of Washington, to safeguard election material or to preserve the  
17 integrity of the elections process.

18        NEW SECTION.    **Sec. 11.**        The secretary of state shall establish  
19 within the elections division an election assistance and clearinghouse

22 political parties regarding newly enacted elections legislation,  
23 relevant judicial decisions affecting the administration of elections,  
24 and applicable attorney general opinions, and which shall respond to  
25 inquiries from elections administrators, political parties, and others  
26 regarding election information. This section does not empower the  
27 secretary of state to offer legal advice or opinions, but the secretary  
28 may discuss the construction or interpretation of election law, case

1 law, or legal opinions from the attorney general or other competent  
2 legal authority.
