
SUBSTITUTE HOUSE BILL 2671

State of Washington

52nd Legislature

1992 Regular Session

By House Committee on Higher Education (originally sponsored by Representatives Silver, Jacobsen, Van Luven, Ludwig, Wood, Ogden, Prince, Ferguson, Padden and Carlson)

Read first time 02/07/92.

1 AN ACT Relating to higher education; and adding a new section to
2 chapter 28B.10 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 28B.10 RCW
5 to read as follows:

6 (1) The higher education coordinating board shall annually develop
7 information on the approximate amount of state support that students
8 receive. For students at state-supported colleges and universities,
9 the information shall include the approximate level of support received
10 by students in each tuition category. That information may include
11 consideration of the following: Expenditures included in the
12 educational cost formula, revenue forgiven from waived tuition and
13 fees, state-funded financial aid awarded to students at public
14 institutions, and all or a portion of appropriated amounts not

1 reflected in the educational cost formula for institutional programs
2 and services that may affect or enhance the educational experience of
3 students at a particular institution. For students attending a private
4 college, university, or proprietary school, the information shall
5 include the amount of state-funded financial aid awarded to students
6 attending the institution.

7 (2) Beginning July 30, 1992, the board shall annually provide
8 information appropriate to each institution's student body to each
9 state-supported four-year institution of higher education and to the
10 state board for community and technical colleges for distribution to
11 community and technical colleges.

12 (3) Beginning July 30, 1992, the board shall annually provide
13 information on the level of financial aid received by students at that
14 institution to each private university, college, or proprietary school,
15 that enrolls students receiving state-funded financial aid.

16 (4) Beginning with the 1992 fall academic term, each institution
17 described in subsection (2) or (3) of this section shall provide
18 students at the institution with information on the approximate amount
19 that the state is contributing to the support of their education.
20 Information provided to students at each state-supported college and
21 university shall include the approximate amount of state support
22 received by students in each tuition category at that institution. The
23 amount of state support shall be based on the information provided by
24 the higher education coordinating board under subsections (1) through
25 (3) of this section. Institutions may use any informational format
26 that is appropriate for their students, including, but not limited to,
27 posters, handouts, and information in students' registration packets.
