ENGROSSED SUBSTITUTE HOUSE BILL 1686

---

AS AMENDED BY THE SENATE

Passed Legislature - 1991 Regular Session

**State of Washington**                      **52nd Legislature**                      **1991 Regular Session**

**By** House Committee on Human Services (originally sponsored by Representatives Hargrove, Riley, Tate, Prentice, Padden, H. Myers, Kremen, Dorn, Morris, Jacobsen, Roland, Pruitt, Valle, Betrozoff, Brekke, Paris, Scott, Inslee, Basich, Sheldon and Wineberry).

Read first time March 4, 1991.

1            AN ACT Relating to correctional industries; adding a new section to  
2 chapter 72.60 RCW; creating new sections; and declaring an emergency.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4            NEW SECTION.    **Sec. 1.**            The legislature finds that the  
5 rehabilitation process may be enhanced by participation in training,  
6 education, and employment-related incentive programs and may be a  
7 consideration in reducing time in confinement.

8            NEW SECTION.    **Sec. 2.**    A new section is added to chapter 72.60 RCW  
9 to read as follows:

10            (1) The department of corrections shall develop, in accordance with  
11 RCW 72.09.010, a site-specific implementation plan for prison  
12 industries space at Clallam Bay corrections center, McNeil Island  
13 corrections center, and the one thousand twenty-four bed medium  
14 security prison as appropriated for and authorized by the legislature.

1       (2) Each implementation plan shall include, but not be limited to,  
2 sufficient space and design elements that try to achieve a target of  
3 twenty-five percent of the total inmates in class I employment programs  
4 and twenty-five percent of the total inmates in class II employment  
5 programs or as much of the target as possible without jeopardizing the  
6 efficient and necessary day-to-day operation of the prison. The  
7 implementation plan shall also include educational opportunities and  
8 employment, wage, and other incentives. The department shall include  
9 in the implementation plans an incentive program based on wages, and  
10 the opportunity to contribute all or a portion of their wages towards  
11 an array of incentives. The funds recovered from the sale, lease, or  
12 rental of incentives should be considered as a possible source of  
13 revenue to cover the capitalized cost of the additional space necessary  
14 to accommodate the increased class I and class II industries programs.

15       (3) The incentive program shall be developed so that inmates can  
16 earn higher wages based on performance and production. Only those  
17 inmates employed in class I and class II jobs may participate in the  
18 incentive program. The department shall develop special program  
19 criteria for inmates with physical or mental handicaps so that they can  
20 participate in the incentive program.

21       (4) The department shall propose rules specifying that inmate  
22 wages, other than the amount an inmate owes for taxes, legal financial  
23 obligations, and to the victim restitution fund, shall be returned to  
24 the department to pay for the cost of prison operations, including room  
25 and board.

26       (5) The plan shall identify actual or potential legal or  
27 operational obstacles, or both, in implementing the components of the  
28 plan as specified in this section, and recommend strategies to remove  
29 the obstacles.

1 (6) The department shall submit the plan to the appropriate  
2 committees of the legislature and to the governor by October 1, 1991.

3 NEW SECTION. **Sec. 3.** The overall prison design plans for new  
4 construction at Clallam Bay corrections center, McNeil Island  
5 corrections center, and the one thousand twenty-four bed medium  
6 security prison as appropriated for and authorized by the legislature  
7 shall not be inconsistent with the implementation plan outlined in this  
8 act. No provision under this act shall require the department of  
9 corrections to redesign, postpone, or delay the construction of any of  
10 the facilities outlined in section 2 of this act.

11 NEW SECTION. **Sec. 4.** If any provision of this act or its  
12 application to any person or circumstance is held invalid, the  
13 remainder of the act or the application of the provision to other  
14 persons or circumstances is not affected.

15 NEW SECTION. **Sec. 5.** This act is necessary for the immediate  
16 preservation of the public peace, health, or safety, or support of the  
17 state government and its existing public institutions, and shall take  
18 effect immediately.
