13 as follows:

14 The system of weights and measures in customary use in the United
15 States and the metric system of weights and measures are jointly
16 recognized, and either one or both of these systems shall be used for
17 all commercial purposes in this state. The definitions of basic units
18 of weight and measure and weights and measures equivalents, as
19 published by the national (~~bureau of standards~~) institute of
20 standards and technology, are recognized and shall govern weighing and
21 measuring equipment and transactions in the state.

22 **Sec. 5.** RCW 19.94.160 and 1969 c 67 s 16 are each amended to read
23 as follows:

24 Weights and measures in conformity with the standards of the United
25 States as have been supplied to the state by the federal government or
26 otherwise obtained by the state for use as state standards, shall, when
27 the same shall have been certified as such by the national (~~bureau of~~
28 ~~standards~~) institute of standards and technology, be the state

1 standards of weight and measure. The state standards shall be kept in
2 a place designated by the director and shall not be removed from the
3 said place except for repairs or for certification: PROVIDED, That
4 they shall be submitted at least once in ten years to the national
5 (~~bureau of standards~~) institute of standards and technology for
6 certification.

7 **Sec. 6.** RCW 19.94.190 and 1989 c 354 s 36 are each amended to read
8 as follows:

9 The director shall enforce the provisions of this chapter and shall
10 (~~issue from time to time reasonable~~) adopt rules for enforcing and
11 carrying out the purposes of this chapter. Such rules shall have the
12 effect of law and may include (1) standards of net weight, measure, or
13 count, and reasonable standards of fill for any commodity in package
14 form, (2) (~~rules~~) the governing (~~the~~) technical and reporting
15 procedures to be followed, and the report and record forms and marks of
16 rejection to be used by the director and city sealers in the discharge
17 of their official duties, (3) (~~rules~~) the governing technical test
18 procedures, reporting procedures, record and reporting forms to be used
19 by commercial firms when installing, repairing or testing commercial
20 weights or measures, (4) (~~rules providing~~) the criteria that all
21 weights and measures used by commercial firms in repairing or servicing
22 commercial weighing and measuring devices shall be calibrated by the

25 necessary and/or at such reasonable intervals as may be established or
26 required by the director, (5) exemptions from the sealing or marking
27 requirements of RCW 19.94.250 with respect to weights and measures of
28 such character or size that such sealing or marking would be
29 inappropriate, impracticable, or damaging to the apparatus in question,

1 (6) (~~rules~~) provisions that allow the director to establish fees for
2 weighing, measuring, and providing calibration services performed by
3 the weights and measures laboratory, with all money collected under

10 accuracy. These (~~regulations~~) rules shall include specifications,
11 tolerances, and (~~regulations~~) rules for weights and measures of the
12 character of those specified in RCW 19.94.210, designed to eliminate
13 from use, without prejudice to apparatus that conforms as closely as

19 commercial weighing and measuring devices, together with amendments
20 thereto, as recommended by the most recent edition of Handbook 44

28 shall be deemed to have been adopted under this section. The director
29 may, however, within thirty days of the publication or effective date
30 of Handbook 44 or any supplements, amendments, or similar publications

1 give public notice that a hearing will be held to determine if such
2 publications should not be applicable under this section. The hearing
3 shall be conducted under chapter 34.05 RCW. For the purpose of this

23 and measures as may be exempted therefrom by (~~(a regulation)~~) rule of
24 the director issued under the authority of RCW 19.94.190. The director

28 by each city sealer and deputy sealer in the penal sum of one thousand
