State of Washington 52nd Legislature 1991 Regular Session

By House Committee on Financial Institutions & Insurance (originally sponsored by Representatives Valle, Dellwo, Sprenkle, Scott, Winsley, Prentice, Rasmussen, Bowman and Leonard).

Read first time March 6, 1991.

1 AN ACT Relating to motor vehicle insurance and safety courses;
2 amending RCW 28A.220.900 and 46.82.420; and adding a new section to
3 chapter 28A.220 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 28A.220.900 and 1969 ex.s. c 218 s 7 are each amended
6 to read as follows:

7 It is the purpose of this act to provide the financial assistance
8 necessary to enable each high school district to offer a course in
9 traffic safety education and by that means to develop in the youth of
10 this state a knowledge of the motor vehicle laws, an acceptance of
11 personal responsibility on the public highways, and an understanding of
12 the causes and consequences of traffic accidents, with an emphasis on
13 the consequences, both physical and legal, of the use of drugs or
14 alcohol in relation to operating a motor vehicle. The course in
15 traffic safety education shall further provide to the youthful drivers

1 of this state training in the skills necessary for the safe operation
2 of motor vehicles.

3 NEW SECTION. **Sec. 2.** A new section is added to chapter 28A.220
4 RCW to read as follows:

5 The superintendent of public instruction shall include information
6 on the effects of alcohol and drug use on motor vehicle operators,
7 including information on drug and alcohol related traffic injury and
8 mortality rates in the state of Washington, and current penalties for
9 driving under the influence of drugs or alcohol in instructional
10 material used in traffic safety education courses.

11 **Sec. 3.** RCW 46.82.420 and 1979 ex.s. c 51 s 15 are each amended to
12 read as follows:

13 The advisory committee shall compile and furnish to each qualifying
14 applicant for an instructor's license or a driver training school
15 license a basic minimum required curriculum. The basic minimum
16 required curriculum shall also include information on the effects of
17 alcohol and drug use on motor vehicle operators, including information
18 on drug and alcohol related traffic injury and mortality rates in the
19 state of Washington, and current penalties for driving under the
20 influence of drugs or alcohol. Should the director be presented with
21 acceptable proof that any licensed instructor or driver training school
22 is not showing proper diligence in teaching such basic minimum
23 curriculum as required, the instructor or school shall be required to
24 appear before the advisory committee and show cause why the license of
25 the instructor or school should not be revoked for such negligence. If
26 the committee does not accept such reasons as may be offered, the
27 director may revoke the license of the instructor or school, or both.
