all claims, suits, losses, damages, or expenses on account of injuries 1 to persons and property damage arising or growing out of the 2 ((packaging, shipping, transporting, treatment, storage, and)) 3 4 transportation or disposal of commercial low-level radioactive 5 ((materials)) waste. The ((liability coverage)) financial assurance б may be in the form of insurance, cash <u>deposits</u>, surety bonds, corporate guarantees, and other acceptable instruments or guarantees determined 7 by the director to be acceptable evidence of financial assurance. 8

9 (3) In making the determination of the appropriate level of 10 ((liability coverage)) <u>financial assurance</u>, the director shall 11 consider:

(a) The nature and purpose of the activity and its potential for injury and damages to or claims against the state and its citizens; (b) The current and cumulative manifested volume and radioactivity of ((material)) waste being packaged, transported, buried, or otherwise handled;

(c) The location where the ((material)) waste is being packaged, transported, buried, or otherwise handled, including the proximity to the general public and geographic features such as geology and hydrology, if relevant; and

21 (d) The legal defense cost, if any, that will be paid from the 22 required ((liability coverage)) <u>financial assurance</u> amount.

(4) The director may establish different levels of required
 ((liability coverage)) <u>financial assurance</u> for various classes of
 permit holders.

(5) The director shall establish by rule the instruments or
 mechanisms by which a ((person)) permit applicant or holder may
 demonstrate ((liability coverage)) financial assurance as required by
 RCW 43.200.210. ((Any instrument or mechanism approved as an
 alternative to liability insurance shall provide the state and its

1 citizens with a level of financial protection at least as great as
2 would be provided by liability insurance.))

3 (6) The director shall complete ((the first)) <u>a</u> review and
4 determination, and report the results to the legislature((7)) by
5 December 1, ((1987.)) <u>1994, and at</u> least every five years thereafter,
6 the director shall conduct a new review and determination and report
7 its results to the legislature.

8 (((7) (a) The director by rule may exempt from the requirement to 9 provide liability coverage a class of permit holders if the director 10 determines that the exemption of that class will not pose a significant 11 risk to persons or property and will not pose substantial financial 12 risk to the state.

(b) The director may exempt from the requirement to provide liability coverage an individual permit holder if the director determines that the cost of obtaining that coverage for that permit holder would impose a substantial financial hardship on the person and that failure to maintain the coverage will not pose a significant risk to persons or property and will not pose a substantial financial risk to the state.))

20 Sec. 2. RCW 43.200.210 and 1990 c 82 s 2 are each amended to read 21 as follows:

22 (1)(((a))) The department of ecology shall require that any person 23 who holds or applies for a permit under this chapter indemnify and hold 24 harmless the state from claims, suits, damages, or expenses on account of injuries to or death of persons and property <u>damage</u>, arising or 25 26 growing out of any operations and activities for which the person holds the ((license or)) permit, and any necessary or incidental operations. 27 28 (((b) Except for a permit holder not required to maintain liability insurance coverage under RCW 43.200.200(7), the department shall 29

require any person who holds or applies for a permit under this chapter demonstrate that the person has and maintains liability coverage for the operations for which the state has been indemnified and held harmless pursuant to this section. The agency shall require coverage in an amount determined by the director of the department of ecology pursuant to RCW 43.200.200.))

7 (2) The department of ecology shall <u>refuse to issue or shall</u> 8 suspend the ((license)) <u>permit</u> of any person required by this section 9 to ((hold and maintain liability coverage)) <u>demonstrate adequate</u> 10 <u>financial assurance</u> who fails to demonstrate compliance with this 11 section. The permit shall not be <u>issued or</u> reinstated until the person 12 demonstrates compliance with this section.

(3) The department of ecology shall require (a) that any person 13 14 required to ((maintain liability coverage)) demonstrate financial assurance maintain with the agency current copies of any insurance 15 policies, certificates of insurance, or any other documents ((used to 16 17 comply with this)) sufficient to evidence compliance with this section, 18 (b) that the agency be notified of any changes in the ((insurance 19 coverage)) instruments of financial assurance or financial condition of 20 the person, and (c) that the state be named as an insured party on any insurance policy used to comply with this section. This subsection 21 shall not apply to any person subject to the same requirements under 22 <u>RCW 70.98.095.</u> 23

24 Sec. 3. RCW 70.98.095 and 1990 c 82 s 4 are each amended to read 25 as follows:

26 (1)(((a) The radiation control agency shall require that any person 27 who holds or applies for a license or permit under this chapter 28 indemnify and hold harmless the state from claims, suits, damages, or 29 expenses on account of injuries to or death of persons and property, 28 SHB 2873.PL p. 4 of 8 1 arising or growing out of any operations or activities for which the 2 person holds the license or permit, and any necessary or incidental 3 operations.

4 (b) Except for a license or permit holder who the secretary has exempted from maintaining liability coverage pursuant to RCW 5 6 70.98.098(5), the radiation control agency shall require any person who holds or applies for a license or permit under this chapter to 7 demonstrate that the person has and maintains liability coverage for 8 9 the operations for which the state has been indemnified and held 10 harmless pursuant to this section.)) The radiation control agency ((shall)) may require ((coverage)) any person who applies for, or 11 holds, a license under this chapter to demonstrate that the person has 12 financial assurance sufficient to assure that liability incurred as a 13 14 result of licensed operations and activities can be fully satisfied. Financial assurance may be in the form of insurance, cash deposits, 15 surety bonds, corporate guarantees, letters of credit, or other 16 17 financial instruments or guarantees determined by the agency to be acceptable financial assurance. The agency may require financial 18 19 assurance in an amount determined by the secretary pursuant to RCW 20 70.98.098.

(2) The radiation control agency shall ((suspend the license or permit of)) refuse to issue a license or permit or suspend the license or permit of any person required by this section to ((hold and maintain liability coverage)) demonstrate financial assurance who fails to demonstrate compliance with this section. The license or permit shall not be issued or reinstated until the person demonstrates compliance with this section.

(3) The radiation control agency shall require (a) that any person
 required to ((maintain liability coverage)) demonstrate financial
 assurance, maintain with the agency current copies of any insurance
