1 AN ACT Relating to antipsychotic medicine; amending RCW 71.05.120,
2 71.05.130, 71.05.210, and 71.05.370; and adding a new section to
3 chapter 71.05 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 71.05 RCW
6 to read as follows:

7 (1) A person found to be gravely disabled or presents a likelihood
8 of serious harm as a result of a mental disorder has a right to refuse
9 antipsychotic medication unless it is determined that the failure to
10 medicate may result in a likelihood of serious harm or substantial
11 deterioration or substantially prolong the length of involuntary
12 commitment and there is no less intrusive course of treatment than
13 medication in the best interest of that person.

14 (2) The department shall adopt rules to carry out the purposes of
15 this chapter. These rules shall include:

1 (a) An attempt to obtain the informed consent of the person prior
2 to administration of antipsychotic medication.

3 (b) For short-term treatment up to thirty days, the right to refuse
4 antipsychotic medications unless there is an additional concurring
5 medical opinion approving medication.

6 (c) For continued treatment beyond thirty days through the hearing
7 on any petition filed under RCW 71.05.370(7), the right to periodic
8 review of the decision to medicate by the medical director or designee.

9 (d) Administration of antipsychotic medication in an emergency and
10 review of this decision within twenty-four hours. An emergency exists
11 if the person presents an imminent likelihood of serious harm to self
12 or others, and medically acceptable alternatives to administration of
13 antipsychotic medications are not available or are unlikely to be
14 successful; and in the opinion of the physician, the person's condition
15 constitutes an emergency requiring the treatment be instituted prior to
16 obtaining a second medical opinion.

17 (e) Documentation in the medical record of the physician's attempt
18 to obtain informed consent and the reasons why antipsychotic medication
19 is being administered over the person's objection or lack of consent.

20 **Sec. 2.** RCW 71.05.120 and 1989 c 120 s 3 are each amended to read
21 as follows:

22 (1) No officer of a public or private agency, nor the
23 superintendent, professional person in charge, his or her professional
24 designee, or attending staff of any such agency, nor any public
25 official performing functions necessary to the administration of this
26 chapter, nor peace officer responsible for detaining a person pursuant
27 to this chapter, nor any county designated mental health professional,
28 nor the state, a unit of local government, or an evaluation and

1 treatment facility shall be civilly or criminally liable for performing
2 duties pursuant to this chapter with regard to the decision of whether
3 to admit, release, administer antipsychotic medications (~~on an~~
4 ~~emergency basis~~)), or detain a person for evaluation and treatment:
5 PROVIDED, That such duties were performed in good faith and without
6 gross negligence.

7 (2) This section does not relieve a person from giving the required
8 notices under RCW 71.05.330(2) or 71.05.340(1)(b), or the duty to warn
9 or to take reasonable precautions to provide protection from violent
10 behavior where the patient has communicated an actual threat of
11 physical violence against a reasonably identifiable victim or victims.
12 The duty to warn or to take reasonable precautions to provide
13 protection from violent behavior is discharged if reasonable efforts
14 are made to communicate the threat to the victim or victims and to law
15 enforcement personnel.

16 **Sec. 3.** RCW 71.05.130 and 1989 c 120 s 4 are each amended to read
17 as follows:

18 In any judicial proceeding for involuntary commitment or detention,
19 (~~or administration of antipsychotic medication~~) or in any proceeding
20 challenging such commitment or detention, (~~or administration of~~
21 ~~antipsychotic medication~~) the prosecuting attorney for the county in
22 which the proceeding was initiated shall represent the individuals or
23 agencies petitioning for commitment or detention (~~or administration of~~
24 ~~antipsychotic medication~~) and shall defend all challenges to such
25 commitment or detention (~~or administration of antipsychotic~~
26 ~~medication~~): PROVIDED, That after January 1, 1980, the attorney
27 general shall represent and provide legal services and advice to state

3 **Sec. 4.** RCW 71.05.210 and 1989 c 120 s 6 are each amended to read
4 as follows:

5 Each person involuntarily admitted to an evaluation and treatment
6 facility shall, within twenty-four hours of his or her admission, be
7 examined and evaluated by a licensed physician who may be assisted by
8 a ((physician's)) physician assistant according to chapter 18.71A RCW
9 or a nurse practitioner according to chapter 18.88 RCW and a mental
10 health professional as defined in this chapter, and shall receive such
11 treatment and care as his or her condition requires including treatment
12 on an outpatient basis for the period that he or she is detained,
13 except that, beginning twenty-four hours prior to a court proceeding,
14 the individual may refuse all but emergency life-saving treatment, and
15 the individual shall be informed at an appropriate time of his or her
16 right to such refusal of treatment. Such person shall be detained up
17 to seventy-two hours, if, in the opinion of the professional person in
18 charge of the facility, or his or her professional designee, the person
19 presents a likelihood of serious harm to himself or herself or others,
20 or is gravely disabled. A person who has been detained for seventy-two
21 hours shall no later than the end of such period be released, unless
22 referred for further care on a voluntary basis, or detained pursuant to
23 court order for further treatment as provided in this chapter.

24 If, after examination and evaluation, the licensed physician and
25 mental health professional determine that the initial needs of the
26 person would be better served by placement in an alcohol treatment
27 facility, then the person shall be referred to an approved treatment
28 ((facility)) program defined under RCW 70.96A.020.

1 An evaluation and treatment center admitting any person pursuant to
2 this chapter whose physical condition reveals the need for
3 hospitalization shall assure that such person is transferred to an
4 appropriate hospital for treatment. Notice of such fact shall be given
5 to the court, the designated attorney, and the designated county mental
6 health professional and the court shall order such continuance in
7 proceedings under this chapter as may be necessary, but in no event may
8 this continuance be more than fourteen days.

10 as follows:

13 medication or electroconvulsant therapy shall not be ordered unless the
14 petitioning party proves by clear, cogent, and convincing evidence that
15 there exists a compelling state interest that justifies overriding the
16 patient's lack of consent to ((~~shock treatment or~~)) the administration
17 of antipsychotic medications or electroconvulsant therapy, that the
18 proposed treatment is necessary and effective, and that medically
19 acceptable alternative forms of treatment are not available, have not
20 been successful, or are not likely to be effective.

21 (b) The court shall make specific findings of fact concerning: (i)
22 The existence of one or more compelling state interests; (ii) the
23 necessity and effectiveness of the treatment; and (iii) the person's
24 desires regarding the proposed treatment. If the patient is unable to
25 make a rational and informed decision about consenting to or refusing
26 the proposed treatment, the court shall make a substituted judgment for

10 of practice, or physician designated by such person or the person's
11 counsel to testify on behalf of the person in cases where an order for
12 ~~((shock treatment))~~ electroconvulsant therapy is sought.

13 (d) An order for the administration of antipsychotic medications
14 entered following a hearing conducted pursuant to this section shall be
15 effective for the period of the current involuntary treatment order,
16 ~~((any succeeding order entered pursuant to RCW 71.05.320(1),))~~ and any
17 interim period during which the person is awaiting trial or hearing on
18 a new petition for involuntary treatment or involuntary medication.
19 ~~((Upon a request timely filed, a review of any such medication order
20 shall be conducted by the court at the hearing on a petition filed
21 pursuant to RCW 71.05.300. If a succeeding involuntary treatment order

24 entitled to an evidentiary hearing in accordance with this section.))~~

8 constitutes an emergency requiring the treatment be instituted before
9 a judicial hearing as authorized pursuant to this section can be held.

10 If antipsychotic medications are administered over a person's lack
11 of consent pursuant to this subsection, a petition for an order
12 authorizing the administration of antipsychotic medications shall be
