
SENATE BILL 5674

State of Washington

52nd Legislature

1991 Regular Session

By Senators McMullen and Metcalf.

Read first time February 14, 1991. Referred to Committee on Commerce & Labor.

1 AN ACT Relating to a fish and wildlife work force; adding a new
2 chapter to Title 50 RCW; providing an effective date; providing an
3 expiration date; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that an increase
6 in unemployment due to the declining timber economy in the state is
7 imminent. The legislature further recognizes that employment
8 opportunities in state and local government in other natural resource
9 management professions exist and that dislocated workers in the timber-
10 related professions represent a potential work force in the areas of
11 fisheries, wildlife, and recreation. In Skagit county, unemployment
12 due to a timber supply reduction is expected; however, an increase in
13 other natural resource positions for Skagit river enhancement is
14 expected in the next few years.

1 NEW SECTION. **Sec. 2.** Unless the context clearly requires
2 otherwise, the definitions in this section apply throughout this
3 chapter.

4 (1) "Dislocated timber worker" means any individual who:

5 (a) Has been terminated or received a notice of termination from
6 employment in a timber-related occupation;

7 (b) Is eligible for or has exhausted entitlement to unemployment
8 compensation benefits; and

9 (c) Is unlikely to return to employment in the individual's
10 principal occupation or previous industry because of a diminishing
11 demand for their skills in that occupation or industry.

12 (2) "Department" means the employment security department.

13 (3) "Project" means the natural resource worker project.

14 NEW SECTION. **Sec. 3.** The department shall establish the
15 natural resource worker project. The project shall be located in
16 Skagit county, shall terminate on July 1, 1996, and shall provide
17 employment and training opportunities for dislocated timber workers in
18 the areas of fisheries, wildlife, recreation, and other natural
19 resource professions. The department of personnel shall approve the
20 project. The goal of the project is to allow project employees to be,
21 upon termination of their participation in the project, eligible for
22 permanent employment with the departments of wildlife, fisheries,
23 ecology, and natural resources, and the parks and recreation
24 commission.

25 NEW SECTION. **Sec. 4.** The department shall use federal funds
26 that it receives for dislocated timber workers to contract with the
27 departments of wildlife, fisheries, ecology, and natural resources, and
28 the parks and recreation commission to hire project participants to

1 conduct tasks in the areas of fisheries, wildlife, forestry, ecology,
2 and recreation.

3 NEW SECTION. **Sec. 5.** The project shall include the following
4 elements:

5 (1) Recruitment of dislocated timber workers;

6 (2) Placement in the departments of wildlife, fisheries, ecology,
7 and natural resources, and the parks and recreation commission;

8 (3) On-the-job training in entry-level natural resource management
9 skills;

10 (4) Comparable salaries and benefits to entry-level positions
11 already existing in the departments of wildlife, fisheries, ecology,
12 and natural resources, and the parks and recreation commission.

13 NEW SECTION. **Sec. 6.** The department, along with the
14 departments of personnel, wildlife, fisheries, ecology, and natural
15 resources, and the parks and recreation commission shall report
16 annually to the legislature on November 1 of each year beginning
17 November 1, 1992, and until November 1, 1995.

18 The report shall include, at a minimum, the following elements:

19 (1) The number of project employees;

20 (2) The number and description of positions filled, by agency;

21 (3) Training received;

22 (4) Duration of employment; and

23 (5) Placement in permanent positions.

24 NEW SECTION. **Sec. 7.** Sections 1 through 6 of this act shall
25 constitute a new chapter in Title 50 RCW.

1 NEW SECTION. **Sec. 8.** This act is necessary for the immediate
2 preservation of the public peace, health, or safety, or support of the
3 state government and its existing public institutions, and shall take
4 effect July 15, 1991.

5 NEW SECTION. **Sec. 9.** This act shall expire August 1, 1996.
