State of Washington 52nd Legislature 1991 Regular Session

By Senators Saling, Stratton, Patterson and Bauer.

Read first time February 22, 1991. Referred to Committee on Higher Education.

1 AN ACT Relating to community college enrollments; amending RCW
2 28B.15.502; adding a new section to chapter 28B.15 RCW; providing an
3 effective date; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 28B.15 RCW
6 to read as follows:

7 (1) The boards of trustees of the community college districts may
8 operate summer schools on either a self-supporting or a state-funded
9 basis.

10 If summer school is operated on a self-supporting basis, the fees
11 charged shall be retained by the colleges, and shall be sufficient to
12 cover the direct costs, which are instructional salaries and related
13 benefits, supplies, publications, and records.

14 Community colleges that have self-supporting summer schools shall
15 continue to receive general fund state support for vocational programs

1 that require that students enroll in a four quarter sequence of courses
2 that includes summer quarter due to clinical or laboratory requirements
3 and for ungraded courses limited to adult basic education, vocational
4 apprenticeship, aging and retirement, small business management,
5 industrial first aid, and parent education.

6 (2) The boards of trustees of the community college districts may
7 exceed state-funded, full-time equivalent enrollment limits by four
8 percent each fiscal year and charge those students a fee equivalent to
9 the amount of tuition and fees that are charged students enrolled in
10 state-funded courses. These fees shall be retained by the colleges.

11 Any community college which in 1990-91 has excess enrollments which
12 are less than the four percent limit in this subsection may increase
13 its excess enrollments to the four percent limit in this subsection.

14 Community colleges that currently have excess enrollments more than
15 four percent above the state-funded limit, by means of enrollments that
16 would have otherwise been eligible for state funding, shall reduce
17 those excess enrollments to four percent above the state-funded full-
18 time equivalent enrollment limits by September 1, 1995, in at least
19 equal annual reductions, commencing with the 1991-92 fiscal year.

20 Should the number of student supported, full-time equivalent
21 enrollments exceed in any fiscal year the limits established in this
22 section, the colleges shall return by September 1st to the state
23 general fund, an amount equal to the college's full average state
24 appropriations per full-time equivalent student for such student funded
25 full-time equivalent in excess of the limit.

26 (3) The state board for community college education shall ensure
27 compliance with this section.

28 **Sec. 2.** RCW 28B.15.502 and 1985 c 390 s 25 are each amended to
29 read as follows:

1 Tuition fees and services and activities fees at each community
2 college other than at summer quarters shall be as follows:

3 (1) For full time resident students, the total tuition fees shall
4 be twenty-three percent of the per student educational costs at the
5 community colleges computed as provided in RCW 28B.15.067 and
6 28B.15.070: PROVIDED, That the building fees for each academic year
7 shall be one hundred and twenty-seven dollars and fifty cents.

8 (2) For full time nonresident students, the total tuition fees
9 shall be one hundred percent of the per student educational costs at
10 the community colleges computed as provided in RCW 28B.15.067 and
11 28B.15.070: PROVIDED, That the building fees for each academic year
12 shall be four hundred and three dollars and fifty cents.

13 (3) The boards of trustees of each of the state community colleges
14 shall charge and collect equally from each of the students registering
15 at the particular institution and included in subsections (1) and (2)
16 hereof a services and activities fee which for each year of the 1981-83
17 biennium shall not exceed sixty-four dollars and fifty cents. In
18 subsequent biennia the board of trustees may increase the existing fee,
19 consistent with budgeting procedures set forth in RCW 28B.15.045, by a
20 percentage not to exceed the percentage increase in tuition fees
21 authorized in subsection (1) above: PROVIDED, That such percentage
22 increase shall not apply to that portion of the services and activities
23 fee previously committed to the repayment of bonded debt. The services
24 and activities fee committee provided for in RCW 28B.15.045 may
25 initiate a request to the governing board for a fee increase.

26 (4) Tuition and services and activities fees consistent with the
27 above schedule will be fixed by the state board for community colleges
28 for summer school students unless the community college charges fees in
29 accordance with section 1 of this 1991 act.

1 The board of trustees shall charge such fees for ungraded courses,
2 noncredit courses, community services courses, and self-supporting
3 short courses as it, in its discretion, may determine, not inconsistent
4 with the rules and regulations of the state board for community college
5 education.

6 NEW SECTION. **Sec. 3.** This act is necessary for the immediate
7 preservation of the public peace, health, or safety, or support of the
8 state government and its existing public institutions, and shall take
9 effect June 15, 1991.
